IN DEDICATION

To this man we owe much—because as teacher, counselor, and friend, he has guided, inspired, and understood us.

Dr. Otis Games was born in Richwood, Ohio, and in 1904 he received his degree in education from Ohio Northern. Since then, he has received his A.B. and A.M. degrees from Ohio Wesleyan University. In 1951, he was awarded his Doctor of Pedagogy from Ohio Northern University, and in the fall of 1952, he assumed his present position at Northern as Counselor of Freshman Men.

As an inseparable part of our beloved Northern, and because Ohio Northern and the lives of those he has touched will always mean more for having been identified with him, we the staff of the 1959 NORTHERN inscribe and dedicate this forty-ninth volume of our life here at Northern in 1959 as a lasting reminder of our deep respect and affection for Dr. Games.

THIS IS . . .

THE YEAR'S STORY IN PICTURE

In this edition of the NORTHERN, we attempt to portray student life at Ohio Northern University through the medium of a pictorial essay. There are many factors which ultimately determine the greatness of an institution such as our own beloved Northern . . . its heritage, its loyal supporters and

friends . . . its leaders and teachers . . . but more than any of these, it is the men and women of ONU who exemplify by their individuality, their friendliness, and their spirit, a guiding force. This year at Ohio Northern has been a great year—a year characterized by progress, of warmth and friendship, of opinions and inspiration.

THE PRESIDENT'S MESSAGE

THE PRESIDENT'S MESSAGE

Many of us here on the campus have witnessed the steady but certain advancement of Ohio Northern University. It can certainly be said without equivocation that it is truly a good little university—whether or not it shall become a truly great university is yet to be determined.

The members of this graduation class have had no small part in this program of development. During your years on the campus, we have deeply appreciated your contribution to this end.

You now become, by virtue of graduation, a member of a host of alumni. We want your Commencement to be only the beginning of your sincere interest in Ohio Northern University. We expect good things of you in your new relationship.

May God bless you.

Sincerely yours,

F. Bringle McIntosh,
President

INFORMATIO

ADMINISTRATION AND STAFF

Frank B. McIntosh, A.B. (DePauw), S.T.B. (Boston), D.D. (DePauw) LL.D. (Rio Grande).
President, Ohio Northern University

F. B. McIntosh was elected President of Ohio Northern University in June, **1949.** Since that time, he has directed the growth of this institution, being largely responsible for Northern's accreditation by the North Central Association in **1958.** In addition to his many official duties as President, Dr. McIntosh attempts to take a personal interest in Ohio Northern and in the lives of her students. Northern's future looks even brighter under his continuing leadership.

As new Administrative Vice-president of Ohio Northern University, Dr. Eugene Eakin combines both academic duties and administrative responsibilities. **He** works with the deans of each of Northern's four colleges for the necessary coordination of the academic program. Dr. Eakin also is responsible for heading such committees as the selection of "Who's Who in American Colleges and Universities," as well as relieving much of the President's administrative burdens.

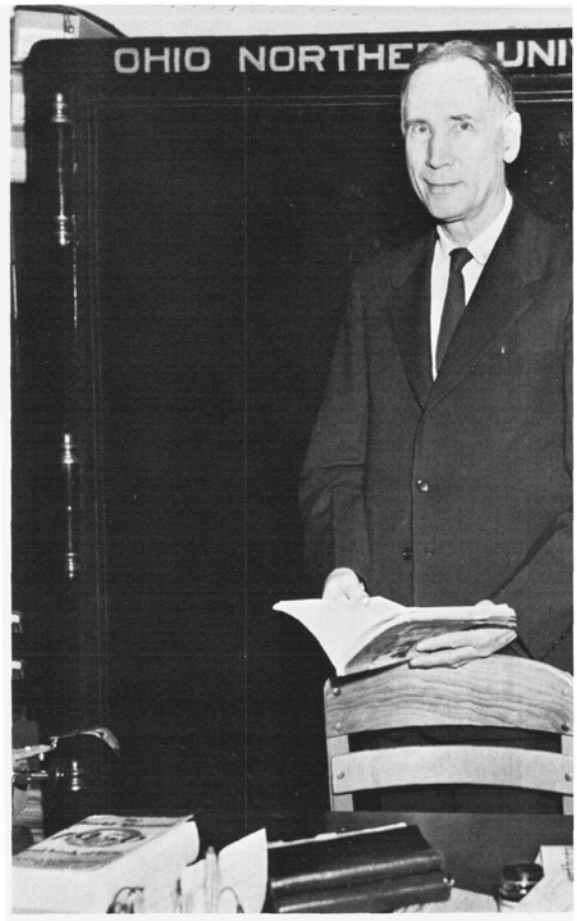

Eugene K. Eakin, A.B. (Findlay), B.S.T. (Western Theology), M.Ed., Ph.D. (Pittsburgh).
Administrative Vice-president

Rev. **C.** E. Wintringham's duties are many: in addition to Director of Public Relations at the University, Rev. Wintringham also directs the various religious activities of the campus, including serving as chairman of the Religious Council which plans "Religion and Life Week" as well as the weekly chapel programs.

C. E. Wintringham, A.B. (Ohio Northern), S.T.B. (Boston).
Director of Public Relations

James **A.** Woofter, Registrar of Ohio Northern, is responsible for maintaining all permanent records of academic matters, as well as examining the qualifications of all students requesting admission to the University. He also directs the program **of** registering students in classes, in addition to recommending the student's credentials for graduation.

James A. Woofter, A.B. (Salem), A.M. (Virginia), Ed.D. (Cincinnati).
Registrar

As Treasurer and Business Manager of Ohio Northern University, Mr. Kenneth F. Martin directs the financial affairs of the University. Such concerns as preparing the University budget, directing and planning the university's purchases, and coordinating the maintenance department's schedule, as well as the collecting and proper caring of the school's income, are under his able leadership.

Kenneth F. Martin, B.S. **(New York), M.A. (Columbia).**
Treasurer and Business Manager

Director of Admissions, Ralph McFarland works closely with both the Registrar and Dr. Eakin, in informing and investigating prospective and incoming students to Northern's program of education.

Ralph L. McFarland, B.S.Ed. (Wilmington).
Director of Admissions

George W. Schertzer
Alumni Secretary

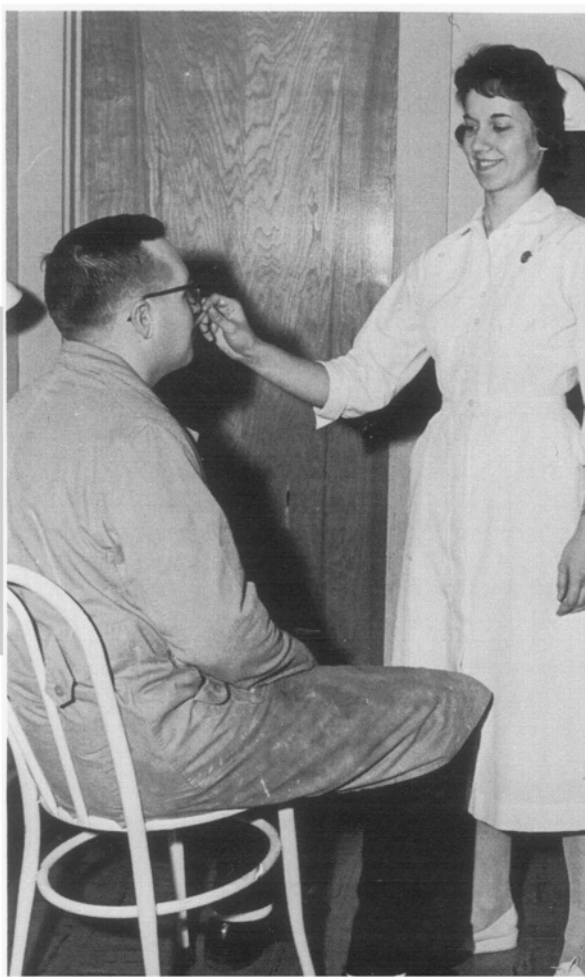

William D. Humphrey, B.S. (Lafayette), M.A. (Oberlin).
Director of Evening Division

ADMINISTRATION

Associated with the National Alumni Association of Ohio Northern University and the University administration Mr. Schertzer serves as Alumni Secretary. His duties are: the editing of all alumni publication, the executive office of the Alumni Loyalty Fund program and the liason person between the alumni groups and the University.

Serving as Director of the Evening Division is Mr. William D. Humphrey who works directly under the Dean of the University. He is responsible for conducting a well-rounded evening program for people who are unable to attend college during the regular sessions of the day.

Mrs. Alexander is in charge **of** maintaining the University Health service office. She is a qualified Registered Nurse and is on duty eight hours a day plus being on call for all emergencies. Her office keeps records of the physical condition of each student.

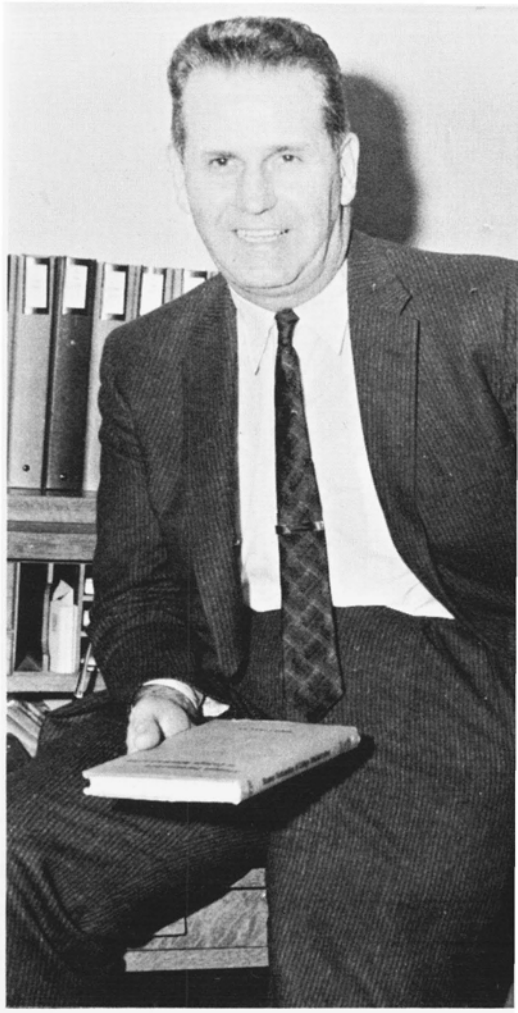

Mrs. S. Alexander, R.N.

As Dean of Students, Grover Wickenden, handles all details **of** student personnel, in addition to serving as counselor to men students and as advisor to various student organizations. The Dean is also a member of the Administrative Committee.

Elma Grant Davis, in her capacity of Assistant Dean of Students, directs the activities of all women's organizations as well **as** planning the University's social calendar. In addition, Mrs. Davis also serves as counselor for women students.

Regular meetings with the freshman men students regarding any personal or college problems is the concern of Dr. Otis Games. His office in the Arts Annex is a familiar sight to the majority of Northern's students.

LIBRARIANS AND ASSISTANTS: Leta Jump, Mrs. Don Puzinski, Gladys Lindsey, Georgianna Rusner. ***Absent:*** Head Librarian Vern **M.** Pings.

HETERICK LIBRARY

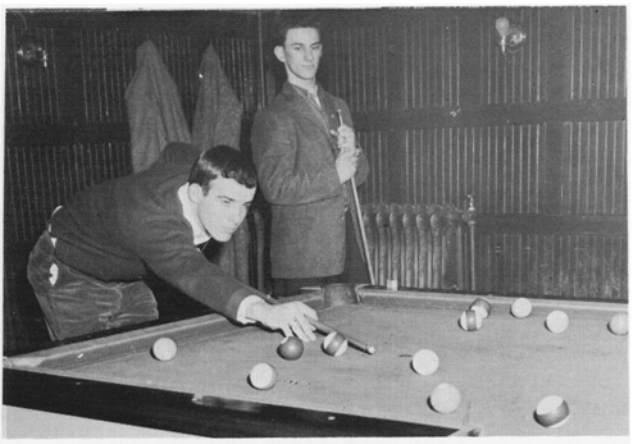

The Heterick Library is housed in Presser Hall, a building honoring Theodore H. Presser. The library is very complete. All students have free access to the reference books, texts, digests, encyclopedias, periodicals, and other reading material. The atmosphere is conducive to study. It is well lighted and quiet at all times. The library meets the highest standards. It is up-to-date, modern, and well selected. Students of Northern pay very frequent visits to the Heterick Library.

Freshman Shirley Straher uses one of the many conveniences of the library.

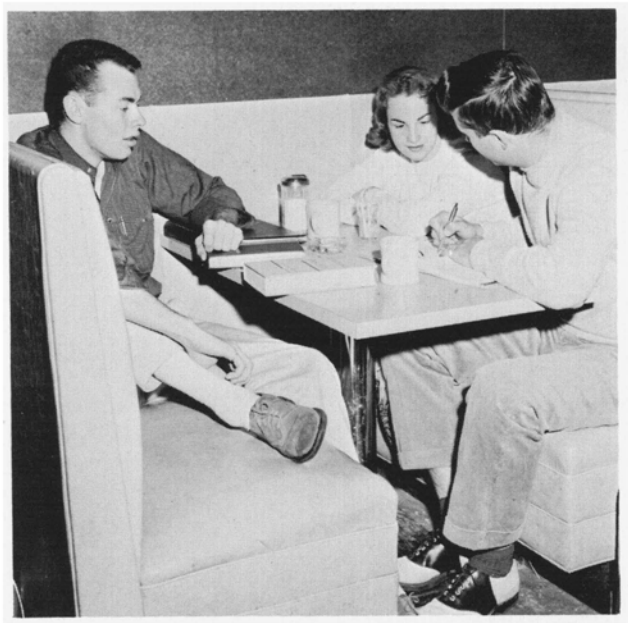

Another important service of the Heterick Library are record players and tape recorders, where students may listen to music or language lessons.

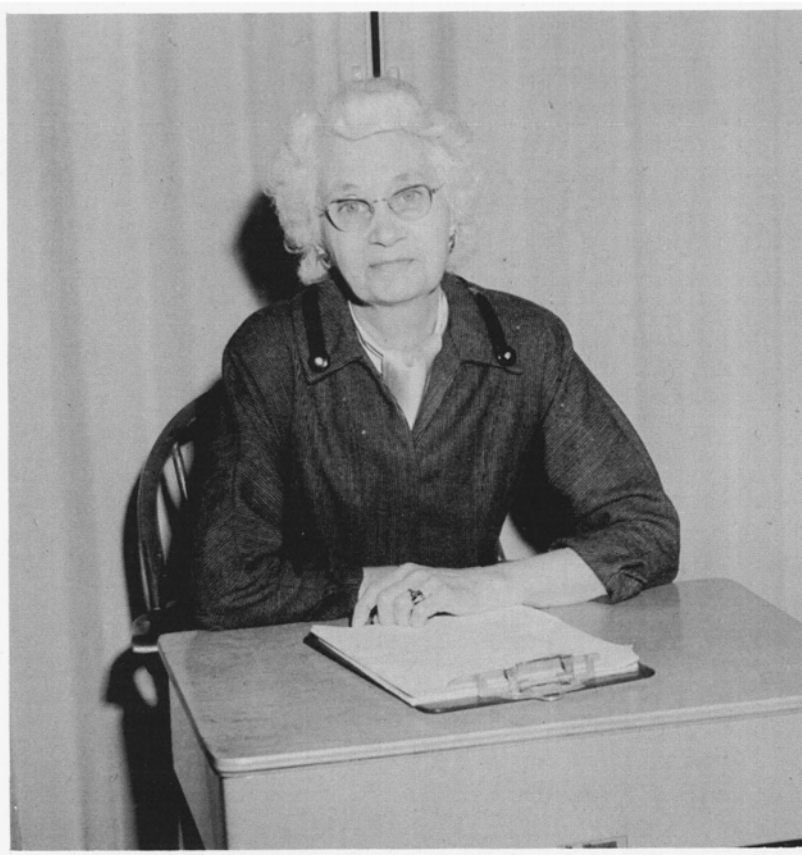

Pool is one of the favorite activities of the Student Center.

STUDENT CENTER

Students often take time out to relax and study in the cozy atmosphere of the "Center."

The Student Center is the recreation hall of Ohio Northern. Co-eds gather here at all hours of the day, before classes, between classes, after classes, or just for a leisure hour of fun. Many students come to the Center to talk over studies and work. Others come to make plans for the weekends. One can always take a few moments out of the busy school day to get a quick snack and talk to friends and classmates. Coke dates and coffee breaks fill the Center to the overflowing. Time out for relaxation finds the boys playing pool and ping pong and the girls sipping cokes while listening to the S.C. music. Weekends bring highlights of a special event like that of a mixer, a rush party, a sorority dance, or a record hop. When work is done, the Student Center is the chosen spot of the students to get together for fun.

Truly a significant feature in the life of many Northern's students is that of dormitory life. The head residents of each of Northern's respective dormitories, Lima Hall, Clark Hall, Moorman Annex, and the Upperclass Women's Dorm, find that their duties are never-ending, **or** at least seemingly so. Such responsibilities as reporting student illnesses, acting as dormitory coordinators and administrators, as well as the respective host or hostess for the residences—these are but a few of their many, many duties.

CAFETERIA STAFF

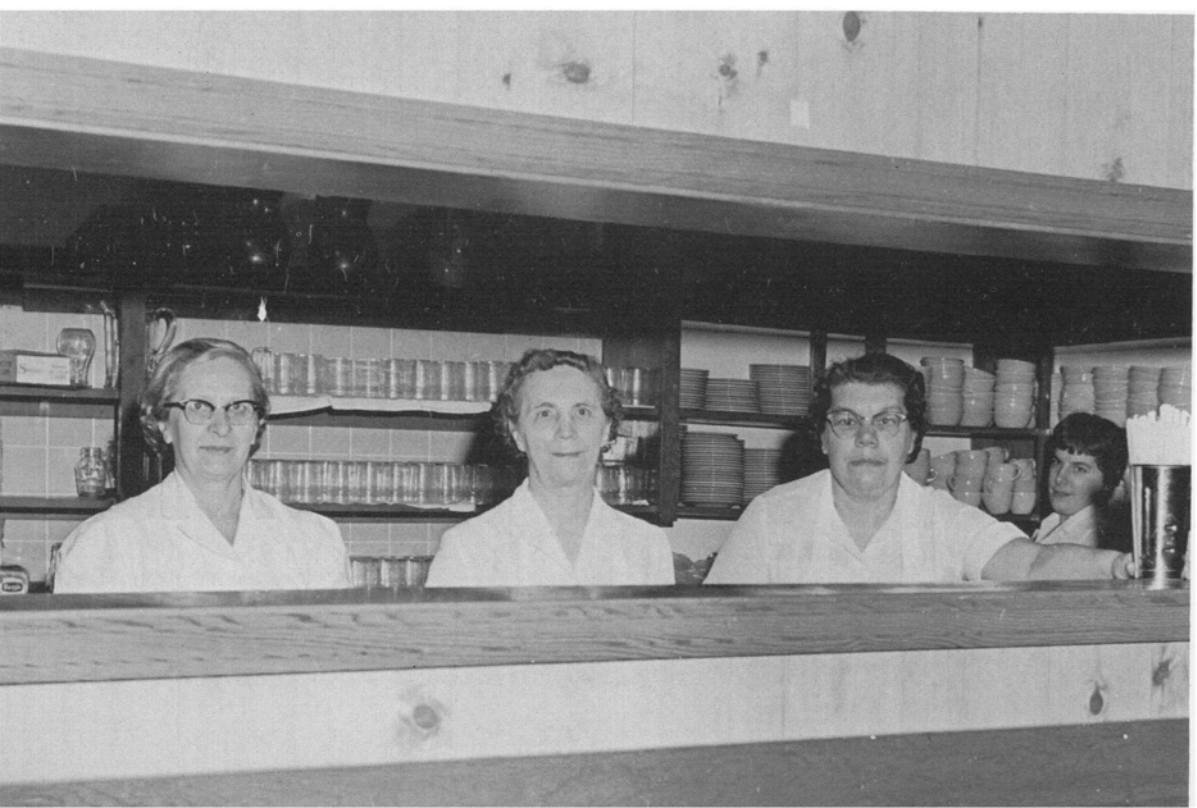

CAFETERIA STAFF: Mrs. Ona Reams, Mrs. Kathryn Traucht, Mrs. Marjorie Jenkins.

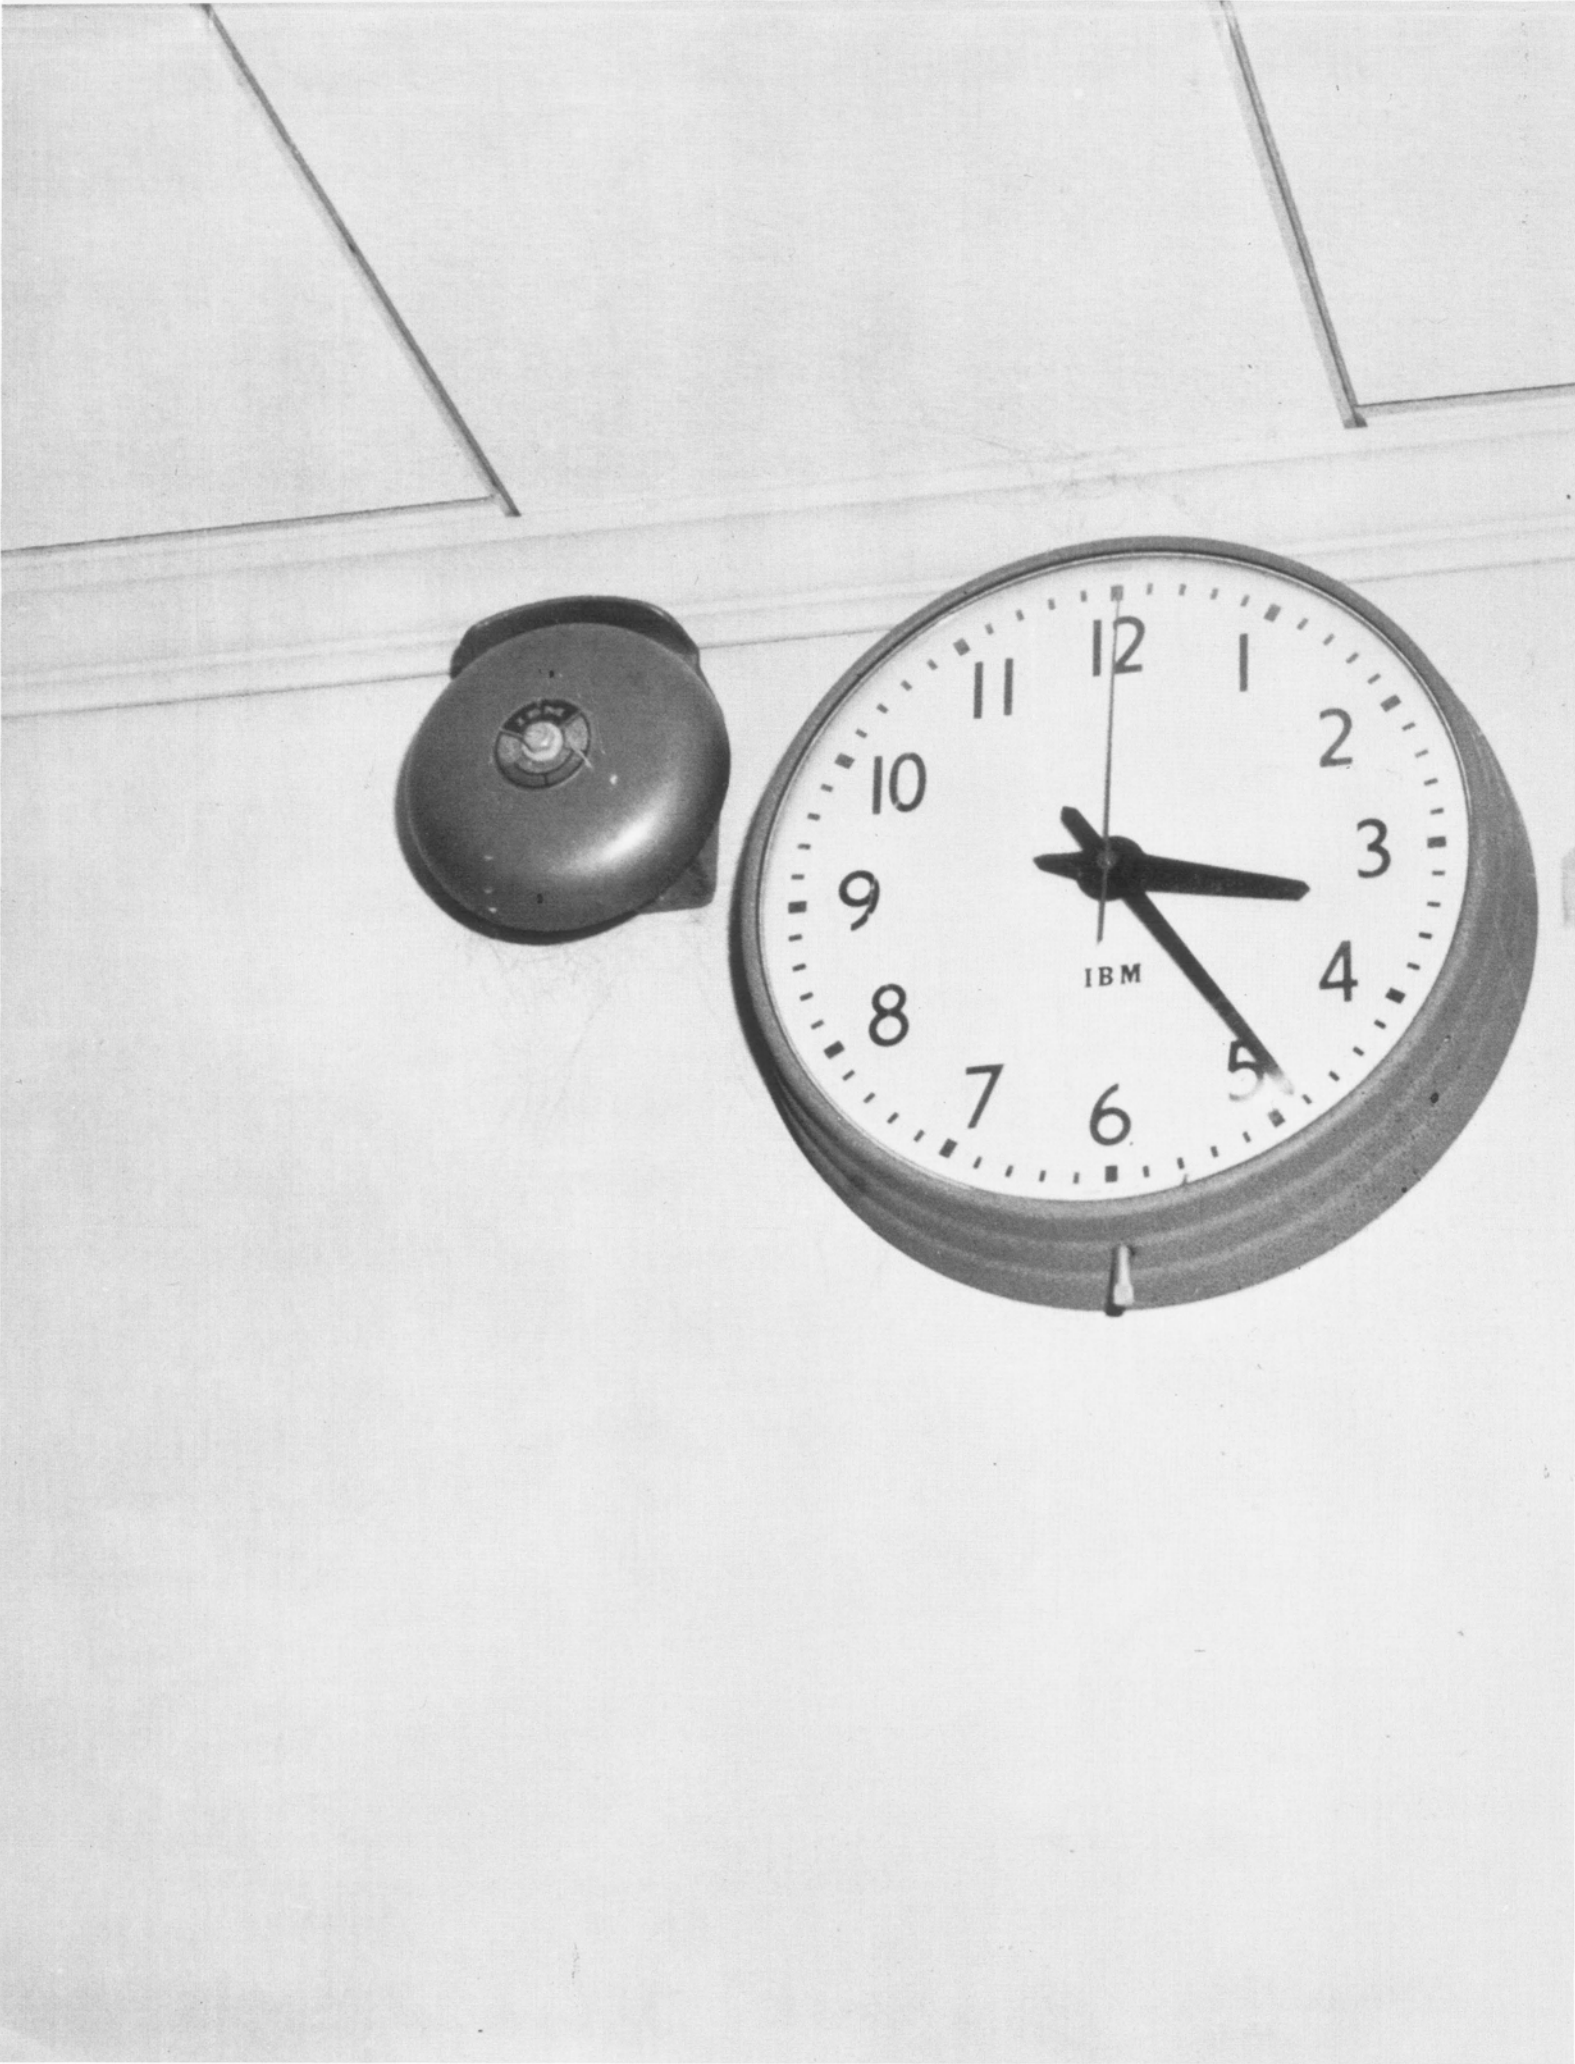

Awaiting the arrival of the new cafeteria in the soon-to-be-completed Student Union, Clark Cafeteria, under the supervision of Mrs. Hazel Tallman, served approximately two-hundred students daily. The cafeteria was open to all freshman men students as well as all women students. In addition, many faculty and administrative officials enjoyed the facilities of the cafeteria.

The purpose of the Ohio Northern Psychological Association is to provide further insight into the field of psychology for those students interested in the subject. This year, the organization has been directed by Professor L. Allan Barker. Membership in the association is open to all students of the University.

The aims of the organization are many: first to provide a group to which students interested in psychology may refer for the pursuit of extra-curricular activities in the field and secure the cooperation of authorities not connected with Ohio Northern, and to promote psychological research at the University.

The College of Law, which this year is headed by a new dean, Eugene N. Hanson, is accredited by the American Bar Association and holds membership in the League of Ohio Law Schools.

The college, now in its seventy-fourth year of existence, counts among its graduates many successful lawyers and lawmakers of Ohio and of the nation. It presents able prepared candidates for the bar examination year after year with better than average records.

The college offers a three-year course leading to a Bachelor of Laws degree, and though its students for the most part represent other colleges in preliminary arts education, the pre-legal program of the College of Liberal Arts is closely correlated with that of the law school.

The aim of the founders of Ohio Northern's College of Law was to provide an opportunity for students of limited means to obtain a qualified training in the law. By adequate preparation in liberal arts, a student can become qualified to enter law school, to the eventual end of entering one of the world's oldest and most respected professions. This principle has been continued through the ensuing years, and today the College of Law is a respected institution in this field.

In the Jay **P.** Taggart Memorial Library, future lawyers find up-to-date, modern, and well selected legal materials, including the leading encyclopedias of law, legal periodicals, a complete set of English reports, and reports of the United States Supreme Court as well as additional special reports and selected cases.

The Marshall Senate of Delta Theta Phi is now in its 49th year on the campus of Ohio Northern University. During that time the fraternity has devoted itself to a high degree of scholastic and social activity. This year has been no exception.

On the social scene the fraternity has been very active. The annual rush party was given in the fall. Several initiation parties were given throughout the year.

In keeping with the avowed purpose of Ohio Northern University, it is the aim of the College of Engineering to develop in the student a high standard of undergraduate proficiency in the areas of subject matter basic to all engineering, together with such technical information and education in the essentials of his chosen branch of the profession as will enable him to meet the highest standards of professional performance and citizenship rightfully to be expected of the engineering graduate.

All of the departments, Civil Engineering, Electrical Engineering, and Mechanical Engineering, of the College are accredited by the Engineers' Council for Professional Development.

ELECTRICAL ENGINEERING

Electrical Engineering is that segment of engineering whose core is built around the science of electricity and magnetism. The science of electricity and magnetism treats of the laws governing the generation, transmission, and utilization of electrical energy in either very large or minute amounts for useful purposes.

The Electrical Engineering curriculum is arranged in a manner to offer a coordinated program of study whereby the student may obtain both a mental understanding and scientific working habits which will enable him to embark upon a successful professional career.

MECHANICAL ENGINEERING

In all Civil and Military activities, the Mechanical Engineer is called upon to originate and apply new and useful equipment to human needs. The curriculum in Mechanical Engineering presents basic studies in machine design and the uses of energy that prepare the young engineer to enter a myriad of activities.

The policy of the Department is to stress the fundamental theories and methods in the use of materials, energy, and power.

ENGINEERING ORGANIZATIONS

NU THETA KAPPA

Nu Theta Kappa, honorary engineering fraternity, was organized at Ohio Northern in **1915.** It is the aim of the fraternity to foster a high standard in academic work in the College, in addition to active participation in other College and University activities. The fraternity gives recognition to Engineering students who have excelled in these categories.

Eligible for election to membership is the sophomore with the highest academic standing providing he has an accumulative point average of **3.0.**

A.S.C.E.

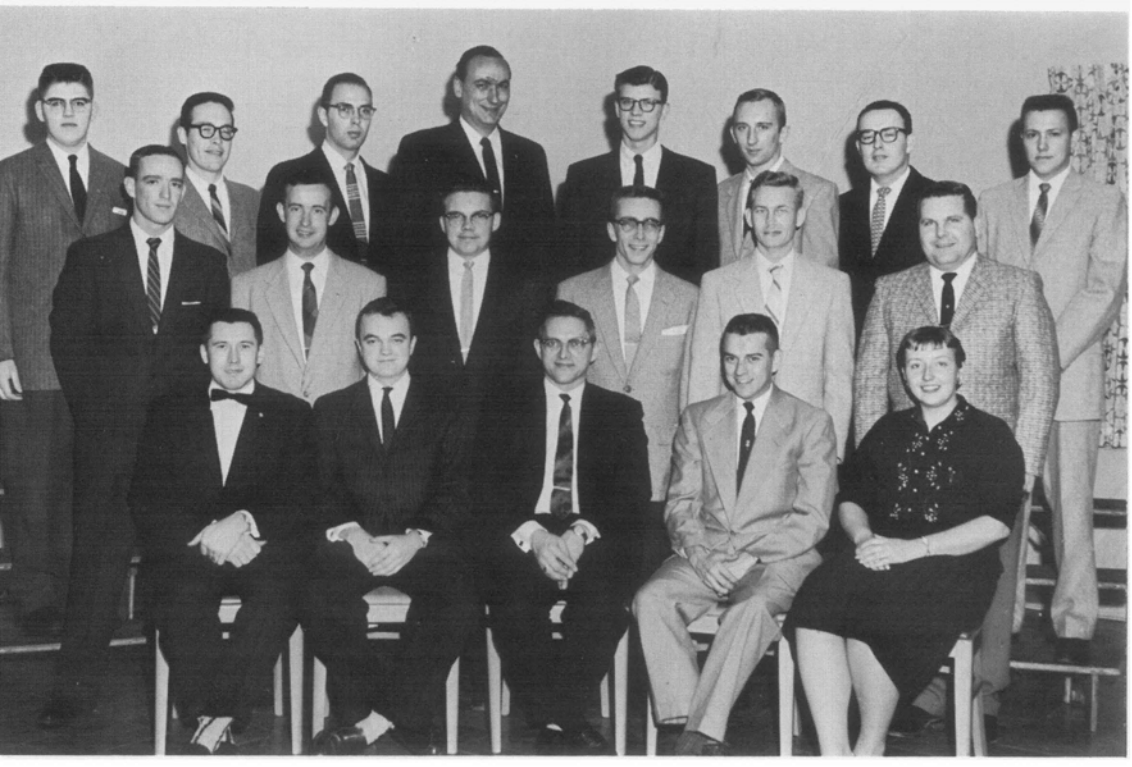

Activity of the Ohio Northern Student Chapter of the American Society of Civil Engineers has been most enterprising since its organization in 1925 and its charter in 1926. The ultimate goal of the society is to facilitate a ways and means of extending technical knowledge and to promote the economic and social welfare of the engineers.

Invitations to guest speakers provide interesting technical and non-technical subjects for every monthly meeting. Also, the society participates in Engineer's Week each February by having open house and presenting appropriate speakers.

A.S.M.E.

The Ohio Northern Student Section of the American Society of Mechanical Engineers obtained its original charter from the parent society in 1922.

The purpose of the student section is to promote the advancement and application of knowledge of Mechanical Engineering and to create a professional awareness and fellowship. The society meets once a month and various forms of technical and professional programs are presented. Programs are presented by speakers from industry and faculty members from this and other engineering colleges.

A.I.E.E.

The purpose of the Ohio Northern Joint Student Chapter of the American Institute of Electrical Engineers and the Institute of Radio Engineers, is to give a student the opportunity to strengthen his social, technical, and literary bonds with his classmates, instructors, and with graduate engineers, and to develop some administrative experience. It broadens the student's acquaintance with the engineering work outside the classroom and provides an organization in which the technical developments and ideas of students in their academic years can receive recognition.

ONESA.

The Ohio Northern Engineers' Speakers Association has been active on this campus since the Spring Quarter of **1935.**

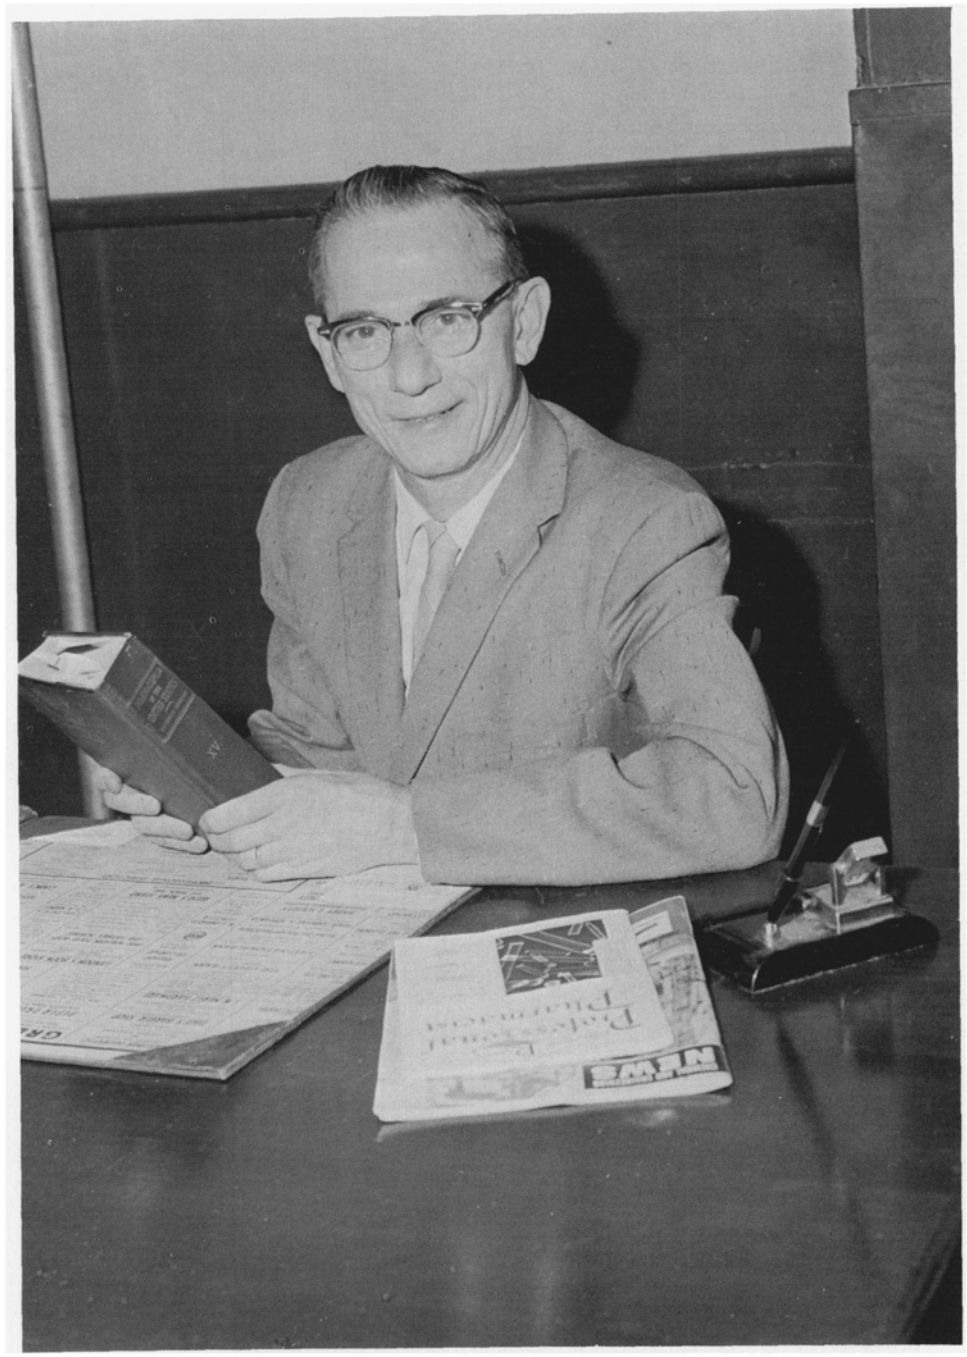

The aim of the organization is to improve the ability of the members to speak extemporaneously before a group. It is the common belief of the members that one of the prime requisites of an engineer is competence in communicating his ideas to groups of his associates, and that his social and professional development will be furthered by such an association.

The Ohio Northern University College of Pharmacy, headed by Dean Albert C. Smith, is a member of the American Association of Colleges of Pharmacy and maintains an "A" rating as accredited by the American Council of Pharmaceutical Associations.

The College of Pharmacy began in **1885** and was the second pharmacy school in Ohio. The college has an active student chapter of the American Pharmaceutical Association which publishes the "Ampul." Although the work of a pharmacist is difficult and exact, it is a field which attracts many students. Dukes building, the home of pharmacy, is a place of preparation for many future pharmacists.

On and after April **1, 1960** all students planning to receive the Bachelor of Science in Pharmacy degree will be required to follow a five year program.

The College of Pharmacy offers a four year course of study. The students spend a great deal of time in chemistry and pharmacy labs learning about common diseases and their causes and treatment, the history of drugs, and of course the methods of making the thousand and one prescriptions that druggists get every day. They learn about crude drugs in these long morning and afternoon labs and practice while mixing the drugs in different proportions. In addition to extensive training in classrooms and laboratories, each student is required to spend summers and as much time as possible during the school year working in a pharmacy.

The curriculum of the students is made flexible enough to allow preparation in specialized activities of the profession. All subjects are listed in a logical sequence so that the student will be better prepared for each ensuing course.

A.P.H.A.

The student branch of American Pharmaceutical Association was founded on Northern's campus in **1949.** In its own small way, it strives to help the pharmacy student to realize the responsibilities, obligations, relationships and the rewards of his profession. Monthly meetings feature speakers from our faculty, various drug companies, men in the fields of pharmacy and medicine as well as business organizations aiding the pharmacist personally. Membership is open to all pharmacy and pre-pharmacy students who are interested in the expansion of their knowledge of the practical aspects of pharmacy.

Among the many services offered, the American Pharmaceutical Association publishes its own magazine, the AMPUL, which now has a circulation **of** over 2200. The annual student-sponsored banquet was held in May in the new Student Center dining room. Textbook author and noted pharmacognocist Heber Younken was the main speaker at the banquet honoring Dr. Anna Koffler.

MACY ZATIONS

KAPPA EPSILON

The Psi Chapter of Kappa Epsilon National Fraternity for women students of pharmacy, was officially installed on our campus on December **4, 1957.**

The membership now totals twenty-six actives. Dr. Anna Koffler, advisor of the group, has taken great pride in firmly establishing the fraternity on this campus.

The primary purpose of this professional fraternity is to unite the women students of pharmacy, helping each to become a greater asset to the college of pharmacy, the university, as a whole, and the ethics of the pharmacy profession.

One of their greatest functions is their financial aid through loans to women students, who need help in financing their education. They also have many other projects to raise money for, and in other ways help the profession in foreign lands.

Kappa Epsilon is a sister organization of Kappa Psi Pharmaceutical Fraternity for men.

PHI DELTA CHI

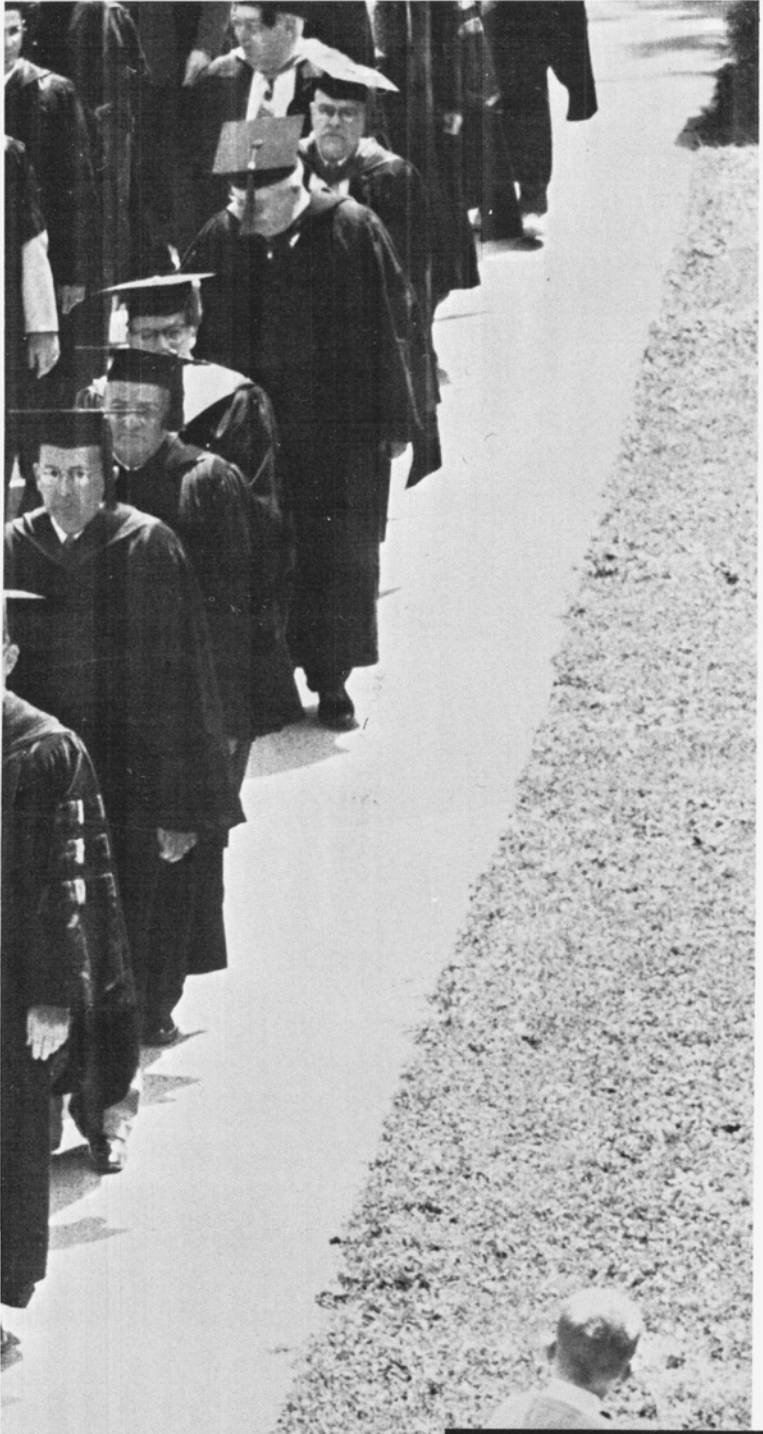

To advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members is the prime purpose of Phi Delta Chi.

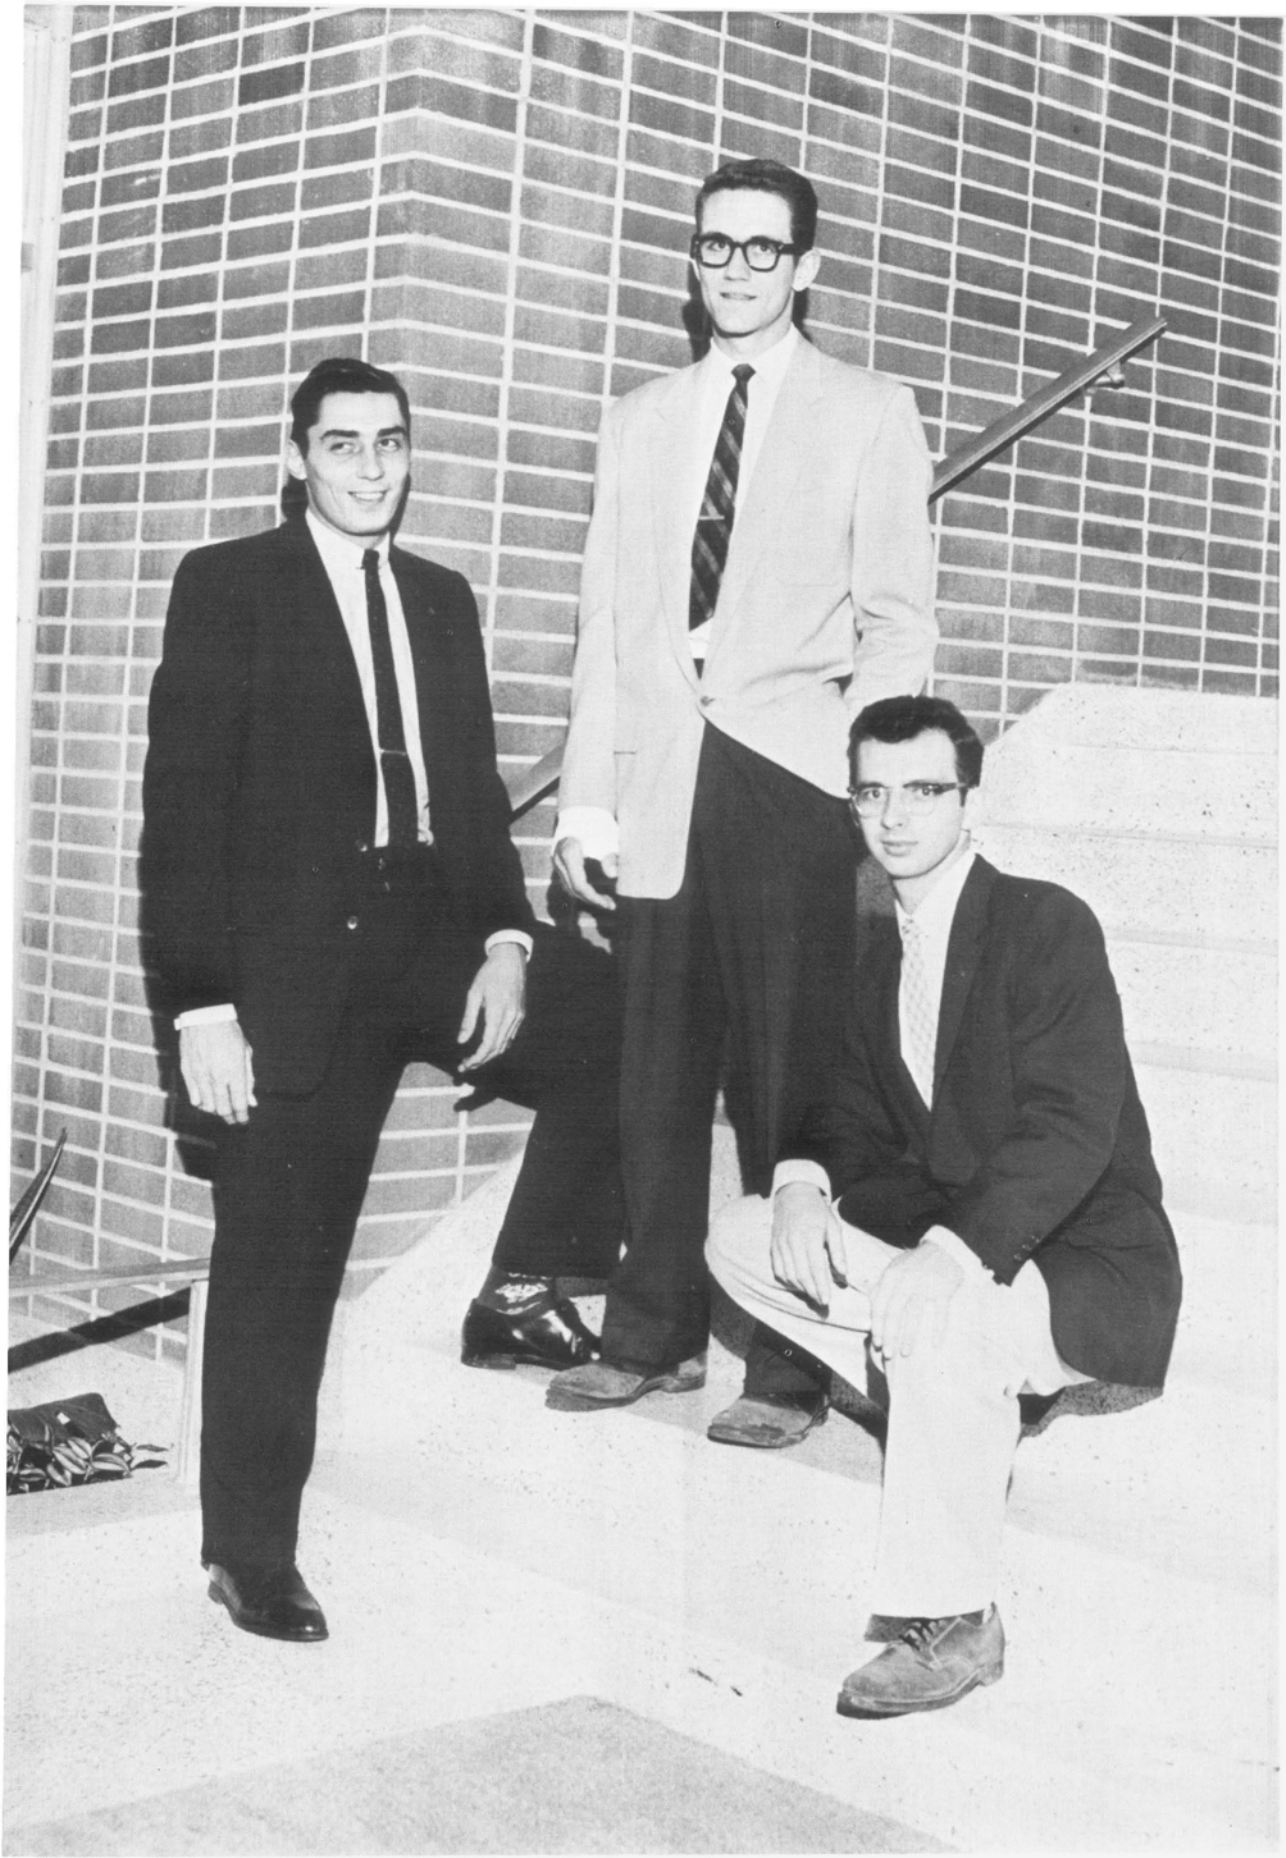

The Alpha Upsilon Chapter was recognized at the Ohio Northern University campus on March **2, 1955,** and is one of the youngest chapters affiliated with the Phi Delta Chi Fraternity, which was founded in **1883** at the University of Michigan. To highlight the year's activities the Annual Founders' Day Banquet is held each year in March. Also, two initiation banquets are held yearly to honor the new brothers entering the fraternity.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

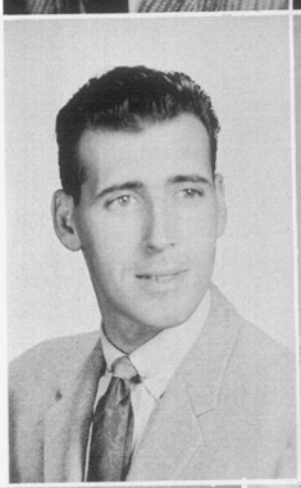

Each year a group of outstanding students are selected to represent Ohio Northern University in the annual volume of *Who's Who Among Students in American Colleges and Universities*. Nominations are made through the combined efforts of the administration and the Student Council on the basis of scholarship, participation in extra-curricular activities, leadership on the college campus and promise of future usefulness. This year each of the colleges of the university are represented. There are two from the College of Law; five from the College of Pharmacy; eight from the College of Liberal Arts; and six from the College of Engineering.

THE YEAR IN RETROSPECT

Ada's bookstores are especially busy when the freshman students must face the reality of beginning classes.

FRESHMAN WEEK

On Sunday, September **21,** the freshmen arrived at Ohio Northern University. The life ahead probably seemed strange as they stood at the entrance of the dorms that would be their home for the year ahead. They were to be confronted by new experiences and long hours of study which eventually become common experiences and even longer hours of study. After getting settled, the new students toured the Northern campus to get a first glimpse of the buildings where they will acquire their education and the people from whom and with whom they will learn. On weekdays the "frosh" attended orientation meetings which acquainted them with college life. Registration day proved to be expensive as each new student paid his fees and made his first trip to the book store for needed texts and supplies. Mixers, teas, and dances provided some relaxation from the many tests and meetings. **A** freshman talent show and an all-campus dance completed the week's activities. But the freshmen continued carrying out the traditions of wearing the black and orange beanies, bowing to upperclassmen, singing Northern songs, yelling Northern cheers, and entering the side doors of Lehr.

R. Shofner unloads his car in front of the new and impressive Lima Hall.

An obedient freshman chooses to "Button," rather than attend freshmen court.

Freshmen meet their classmates and upperclassmen at the week's mixers and dances.

T. Belmagio, **J.** Foldery, and T. Herwig impress the audience with a jazz number, mixed with comedy.

C. Main and **J.** Parks render a novelty vocal number.

FRESHMAN TALENT SHOW

The freshmen gave a hint of their future contributions to Northern at their Talent Show, presented Friday, September 26. "This is your Life" introduced an alumnus who saw the many wonderful events of his college career portrayed during the evening's entertainment. He refreshed his memory of trips to the Dean's office, biology labs, football games, and formal dances through vaudeville skits. Enthusiasm, originality, skill, and devotion produced an outstanding program for upperclassmen, faculty members, and alumni. All applauded the final group singing of Northern's songs.

L. Dell Arco pantomimes: hit tune, "Everybody Love a Lover."

A song tribute to Ohio Northern, joined by members of the audience, closes the unique Freshman Talent Show.

The Cossacks have toured six continents and sixty-five different countries.

THE DON COSSACK CHORUS

On November 25, the Don Cossack Chorus and Dancers presented their colorful program on Lehr stage. The chorus was organized in Prague, Czechoslovakiaby its present director, Nicholas Kostrukoff. The members of the chorus are American citizens and are the select vocalists and dancers obtainable among the White Russians who fought communism in Russia. Some of them fought in the ranks of the U. S. Army during World War II. The featured dancer was Gabriel Slodukin, who danced the Lesginka. This act was a hair-raising dagger dance in which he juggled knives from his forehead, shoulders, and clenched teeth. Slodukin is a daring horseman and has appeared with Ringling Brothers and Barnum Bailey circus and in various motion pictures. The final dance, the Kozatchok, had a dozen men competing in whirls and spectacular leaps with the rest of the chorus shouting and clapping them on. The Cossack Chorus gives concerts in various churches and programs of religious music. The versatility of the men, the tone of their voices, the humorous antics, the skillful dancing, and the colorfulness of their program make the Cossacks a remembered group wherever they appear.

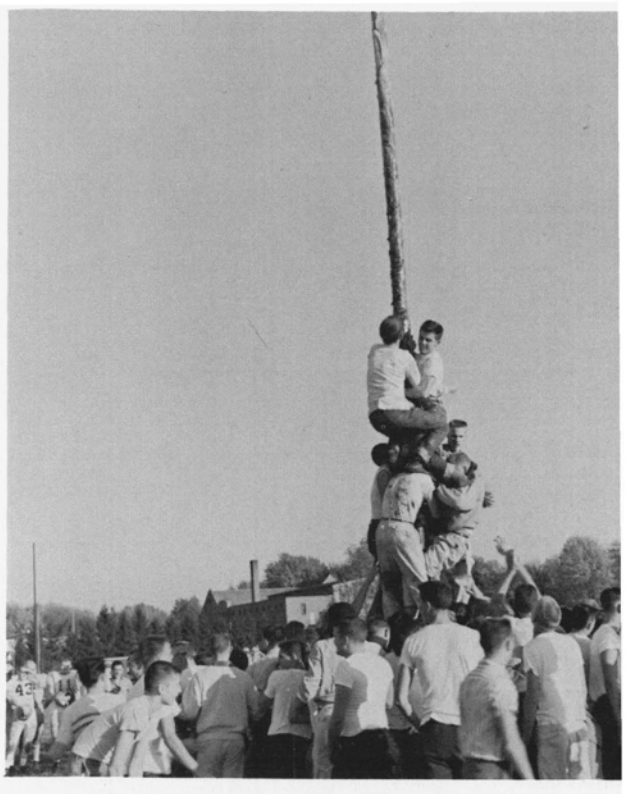

Members of the Homecoming Court and their escorts lead the crowd during the observance of the National Anthem before the Ashland game.

HOMECOMING

THE FLAG POLE RUSH

Representatives of Student Council grease the flagpole before the rush begins.

The freshmen were unsuccessful in an attempt to capture the flagpole; so they wear their beanies until Thanksgiving.

THE PEP RALLY

Cheerleaders Lee Shapiro, Nancy Allen, Doneta Fly, and Merrill Smith lead the crowd in cheering during the Torch Parade and bonfire.

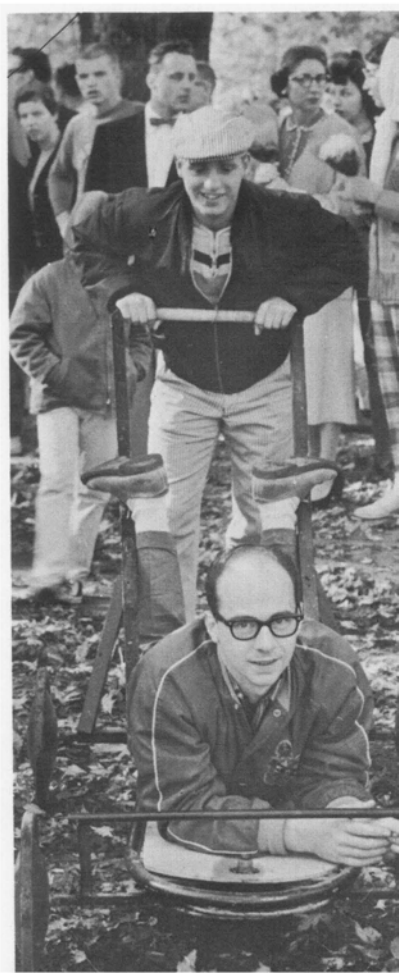

PUSHMOBILE RACE

Winners in Pushmobile Contest are Hilda Baier, Lynda Fisher, Sharon Stahl, and Doneta Fly of Theta Phi Delta sorority.

HOMECOMING HIGHLIGHTS

Phil Buehrer and Fleet Brenneman, members of Alpha Sigma Phi fraternity, are victorious in the fraternity division.

Members of Theta Kappa Phi fraternity captured the trophy for the best fraternity decorations.

HOUSE DECORATIONS

THE QUEEN'S COURT

As the first big event of the year, Homecoming started off the year's activities with tremendous success.

Commencing with the selection of the Homecoming Queen, after two weeks of strenuous campaigning, Theta Phi Delta's candidate, Miss Stella Patsiavos, emerged victorious to reign over the festivities.

Saturday morning marked an early start, as the sororities, and fraternities organized for the traditional pushmobile race. Theta Phi Delta sorority won the sorority competition, and the brothers of Alpha Sigma Phi emerged the victors in the fraternity contest. Theta Kappa Phi fraternity won the House Decorations Contest.

The eventful day continued with various dinners and teas for the Alumni groups, as well as a concert by the ONU chorus-choir.

The game, of course, was the highlight of the weekend, even though we lost to Ashland. The weekend was climaxed by the annual Homecoming Ball, at which time, the famed *Hilltoppers* made a guest appearance.

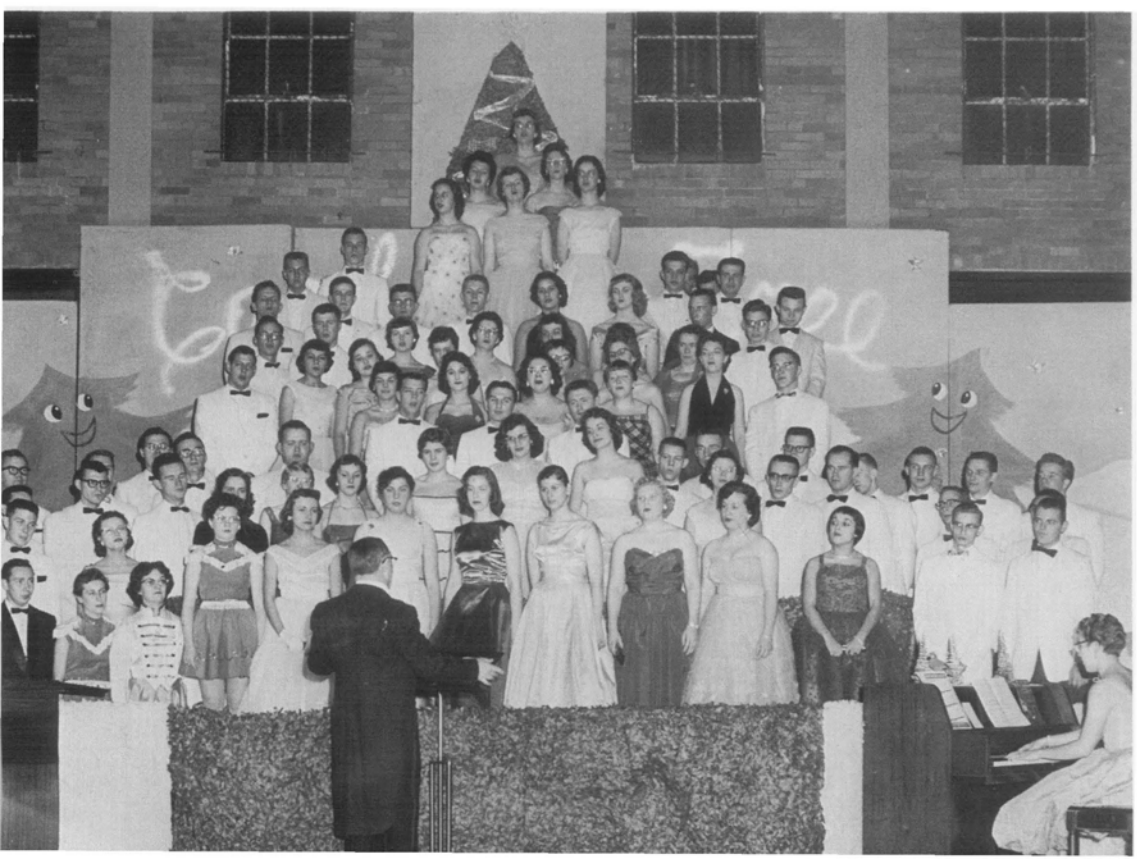

Members of the royal court are presented at the half-time ceremonies: Carol Terbot, Queen Stella Patsiavos, Joyce Stacy.

CHORAL CABARET

Under the timely theme of "The Carol Tree," the ONU Choir, under the direction of Dr. Karl Roider, presented their eleventh annual Choral Cabaret on December **5.** The obvious success of the presentation was evidenced by the crowded gymnasium as well as the enthusiastic reception of the choral program by the students. The program included music ranging from Negro spirituals to popular tunes. It was highlighted by various novelty numbers including "Malaguena," a two piano number; "The Peanut Vendor," with the Cuban dancers; "Hula Hoop," with the "Hoopsters;" "Marshmallow World," in which the human Christmas tree flickered colored flashlights in the darkened gymnasium; and "Twas the Night before Christmas," featuring Santa and his eight beautiful reindeer. These numbers formulated a spectacular production which inspired a great deal of applause. Also of note, was the selection "Glory to God," which was arranged by Dr. Roider. The decorations, centering around the theme "Carol Tree," depicted a gigantic human Christmas tree formed by the choir on graduated risers with elaborate decorations conveying a true Christmas atmosphere. Besides receiving well-earned praise through the audience's response, choir members will utilize the evening's proceeds for financing their tour to Florida at the end of Winter Quarter.

Dr. Roider himself enjoys a number.

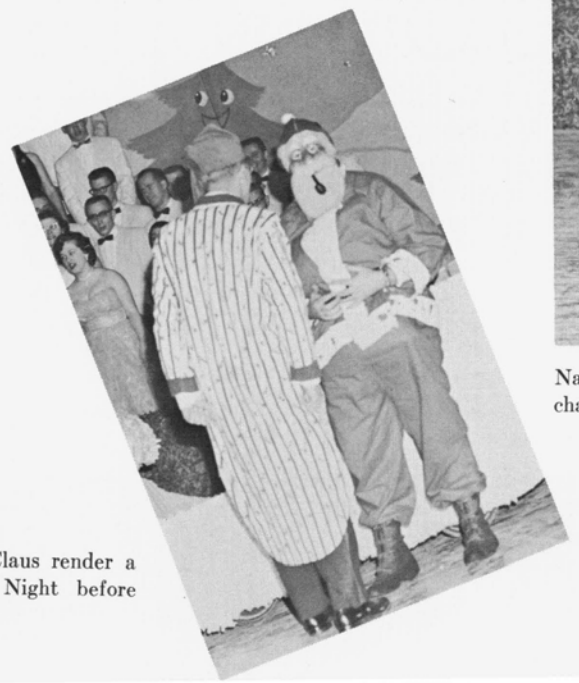

The choir expectantly awaits a **signal** from the director to begin another number. Accompanist Mary Margaret Williams also is preparing to play. "The Carol Tree" backdrop features the human Christmas tree while the choir members dress in formals and white dinner jackets. A variety of religious music and novelty numbers entertained the dancers who were seated in the bleachers and at the tables along the dance floor. The large crowd particularly enjoyed the brilliant coloring of costumes, the clever presentation of numbers, and the Christmas spirit which was so well presented by the choir in the eleventh Choral Cabaret.

Ann Jenkins and Joyce Stacey lead the Hoopsters and their act as the choir sings "Hula Hoop."

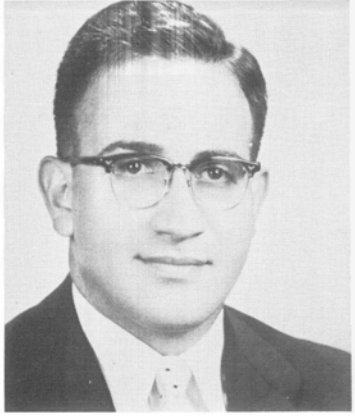

Nancy Allen and Ron Patton "cha-cha-cha."

Dick Fisher and Santa Claus render a scene from "Twas the Night before Christmas."

The "eight tiny reindeer" pull Santa's sleigh in the Cabaret's final number. The girls on skates and Santa were summoned for an encore. All observers seemed to appreciate this new approach to Fred Waring's vocal version of an age-old and well-known Christmas poem.

RELIGION IN LIFE WEEK

Leaders from the Catholic, Jewish, and Protestant faiths visited Northern's campus from February first through the fifth, speaking in Chapel programs and talking with students. Sponsored by the Religious Council, Religion is Life Week dwelt on the theme, "The Presence of God." Father Richard Walsh, chaplain of the Newman Club at Ohio State University, Rabbi Stephen A. Schafer, of the Collingwood Temple, Toledo, and Rev. George Jordon, director of Wesley Foundation at Michigan State University, were the principal speakers of the week. Daily Chapel services and discussion groups of a serious tone helped students to define their views and to form awareness of the week's theme.

Rabbi Schafer conducts a discussion on religion with interested townspeople and students. The leaders spent each afternoon answering questions and leading discussions.

THE CANADIAN PLAYERS

As You Like It, a Shakespearean pastoral and comedy, was presented March **3, 1959,** at Lehr Auditorium. The Canadian Players, formed in **1954** by Tom Patterson and Douglas Campbell, well-known Shakespearean enthusiasts and artists, presented this performance at Ohio Northern, March **3, 1959.** The Company's first small group of actors was taken from Canada's Stratford Shakespearean Festival and since has developed into a truly representative Canadian Company.

In its four years of touring, the Company has traveled from Canada's northern-most section to the Deep South in the United States. Everywhere audiences and critics have acclaimed the young and vigorous group. The Players were the first group chosen to receive a grant from the Canada Council's endowment fund. Since the Company chooses two plays by great classical writers each year, Northern students and faculty and guests of the University were privileged to see a Shakespearean play in production. Directed by Denis Carey, *As You Like It*, succeeded in bringing a new interest and appreciation of Shakespeare's works to Ada and the University.

Members of all the fraternities and their dates enjoy the dancing and decorations.

IFC BALL

The annual Inter-Fraternity Council Ball, held in the Spring, was highlighted by the music of Ralph Marterie and his Band, in addition to the traditional selection of IFC Queen from among the fraternities' candidates. Members of the band conferred and chose Miss Nancy Towne, candidate of Alpha Epsilon **Pi,** art major, and member of Theta Phi Delta Sorority. After receiving her trophy, Miss Towne was escorted to her throne by escort Boyd Schultz, to reign over the evening's activities. A large mural served as backdrop for the throne and the painted crests of each of the fraternities furnished further decoration.

Dancers pause to expectantly await the announcement of the Queen.

IFC president, Jim Spahr, presents the crown and trophy *to* the newly-selected Queen.

CAMPUS CHEST

Elsa Sherman and Roberta Mirman encourage Deanne Wilson, Lois Wright, and Jim Deem to enjoy Campus Chest.

Various campus organizations raise funds through Campus Chest. Dancing, a carnival, and an auction of services provide a profitable and entertaining evening. Campus Chest of **1958,** under the supervision of Joe Valore, sent money to various charity organizations and other worthy projects abroad.

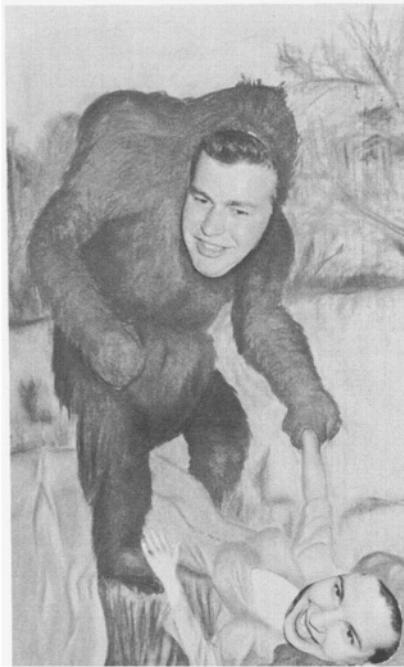

Campus Wives raise funds through a concession stand.

Ken Woods and Sue Harrod enjoy having their pictures taken.

The "Theta's" wait to hear if they have won the bidding on a certain service. The auctioneer maintains suspense.

GREEK SING

The trophies for Greek Sing this year were captured by Sigma Phi Epsilon fraternity and Theta Phi Delta sorority. The required fraternity number was "Oh What a Beautiful Morning," and "Getting to Know You," was the required number for the three sororities. Both Rodgers and Hammerstein numbers were jointly selected by the Interfraternity Council and the Pan-Hellenic Council.

The "Theta's" selected "Laura" as their alternate number and the "Sig Ep's" sang ***"Go*** Down Moses" as their other number. Patricia Yehl was Mistress of Ceremonies for the evening.

Patricia Weller
Editor - 1959 Yearbook
Ohio Northern University
Ada, Ohio

Dear Patricia,

I was very glad to receive the pictures and I must say that you people have a fine looking group of girls at Ohio Northern University.

It's a difficult decision to make as I'd like to call them all winners. However, since I realize that it's my job to judge, the winners are as follows: as the Queen - Sharon Stahl; for the three attendants - Jo Ann Kaufman, Donna Morrison and Saundra Fleming.

I'd like to congratulate all of the candidates and wish them the best of luck in the future.

Yours sincerely,

Pat Boone

STUDENT COUNCIL

". . . to promote fellowship and scholarship; to work cooperatively with the faculty, administration and Board of Trustees for the betterment of the University; and to create a united campus spirit for the social, educational and spiritual advancement of all . . ."

Working to achieve these purposes as set forth in its constitution, the Student Council serves as the governing student body of the University and also as an advisory committee-of-the-whole to the administration.

The Council is responsible for the appointment of members to the Board of Governors, Adelphian Society, and "Who's Who in American Colleges and Universities." Its members serve on important university councils and supervise all campus elections. **It** also plans and supervises with the advice of the Dean of Students, Freshman Week and the Homecoming and May Day festivities each year.

ATHLETIC COUNCIL

The Athletic Council in conjunction with the following faculty members, Chairman Clyde Lemb, Professor Bowden, Professor Taylor, Professor Benedict, Dean Smith, Dean Archer, and Dr. Markle, are responsible for making athletic awards as well as approving athletic schedules for intercollegiate sports.

Also directly related to this council is the function of contracting professional talents for the year's "Artist-Concert" Series. This year's series was indeed an outstanding one including such famous entertainers as the Don Cossack chorus and dancers, the Randy Weston Jazz Quartet, the artist, Don Freeman and the famed Canadian Players.

AWS BOARD

The Association of Women Students is an organization that is open to every woman and girl attending Ohio Northern University. The purpose of the A. W. S. is to promote the spirit of unity and fellowship among the women enrolled in the University. Each class elects a legislative group to represent them on the A. W. S. Board. These officers and representatives plan the activities of the group for the year. The help of Mrs. Davis is very much appreciated by the group. Created for the purpose of providing women students with opportunities for recreation and relaxation, WAA maintains a year round schedule of activities in which its members may participate. WAA also sponsors many all-campus functions, a Square Dance and Annual Dance Review are among those activities presented for the entertainment of all students.

The WAA Board, consisting of the association's officers and the managers of each intramural team, is the governing body of the organization. Besides its customary duties, the Board attempts to further the interests of the association by recommending new measures to the association for approval.

UPPER ROOM FELLOWSHIP

Upper Room Fellowship is open to all those who feel an exuberance or an outlet to Christian relations, or feel the need of Christian fellowship in a group.

This group has consisted mainly of pre-theology students and those entering full-time Christian service. However, this group welcomes anyone who cares to join us any Wednesday noon in Brown 5 for a fellowship meeting, which includes different and various programs to make worth while each person's precious time. Included in the program are such things as program planning, and future planning for the group. In our meetings we sing, have prayer, and have either a short message by our chaplain or someone else designated by him or discuss some view points on our Christian life and churches.

In our other activities we also have a monthly evening meeting. We usually invite some noted person or speaker from outside of our immediate group to come and relate his or her Christian experiences. Our Upper Room Fellowship is usually the time in the middle of the week thought of as a chance to take a break from our busy school duties to add to our spiritual needs.

NEWMAN CLUB

The Newman Club, under the supervision of Father Francis Schweitzer has had a very promising year. Newman Club started the year with a picnic to greet the Catholic freshmen during freshman week. Newman Club meetings are held on the first and third Wednesdays of each month during which time we have a guest speaker and a social get-together afterwards. In February we held our pre-lenten activity, which this year was a successful pizza party. Later we held our annual Retreat, one of the strongest links between the Catholic students and the church.

Elections of officerswas held in April and the formal installation at the annual banquet in May which was held in Lima.

The Newman Club, one of Northern's oldest campus organizations, was established in **1915.** It is the student parish for all Roman Catholic students of a non-Catholic campus. The club provides the opportunity for Catholic students to receive college level instruction in the doctrines of the faith, and to discuss current topics.

This group has sponsored such special activities as the freshman week dinner, chapel services, dances, and skating parties. A regular item on the agenda and a special attraction to those enjoying good food with a personal touch is the Sunday Evening Dinner, which is prepared by the students in the kitchen.

The Sunday evening program generally consists of a supper, a ten minute devotional service, a discussion and planned recreation. The devotional service is composed and conducted by members of the group. The discussions cover **a** variety of topics of current interest and are conducted as informal discussions by noted authorities or by the students themselves.

Aside from inviting lecturers, many of the club members themselves have spoken to numerous organizations in Ada and nearby towns.

Among numerous other activities, the Club sponsored a chapel program during Winter Quarter. The theme which they followed was "Christmas in Foreign Countries," as related by the individual club members. The program was complemented by the singing of Christmas Carols in their native tongue, as well as a colorful display **of** apparel from their homeland.

A familiar sight to everyone at the ONU games, is our ***Northern Polar Bear.***

The group was originated for the purpose of acquainting the law wives with one another as well as to introduce the incoming Freshman Wives and to make them feel welcome. There are no officers. The group meets only every other month or so at the home of one of the wives. The functions for such meetings are divided among the wives.

The group has thus far been a successful venture, and it is hoped this success continues. It is sincerely believed that this group has brought about a close relationship among the Law wives and their husbands.

A newspaper is a myriad composite of sounds. Giant presses roaring, typewriters clacking, telephones ringing and the sound of the reporter walking his beat; all are part of disseminating information, thought, and entertainment via the printed word.

On the ONU Campus, this unique position is filled by the *Northern Review*. During the school year it has become an integral part of campus life. It has not only kept the students informed, it has become the conscience of a student body searching for new activity on which to expend its energies.

In covering the University scene, the "Review" was capably directed by Joe Valore. During his editorship, he had the able assistance of Allen W. Higgins, advisor, who devoted a great deal of work to coordinating the efforts of the staff into a solid unit.

–1959

The annual, just as is any other campus publication, is a large responsibility and requires a great deal of time and effort. The editors of this campus yearbook, attempt each year to present ONU to the students in a new and interesting manner. The theme selected for this year's ***Northern,*** under the editorship of Pat Weller, is "Northern's story in pictures." This theme provides the staff with an opportunity to show, rather than tell, of Northern's interesting and colorful past and present. "One picture is worth a thousand words," and the pictures presented to the students in the annual are hoped to be some they will enjoy and treasure for many years.

"AMPUL"

The *Ampul* is a quarterly publication of the Ohio Northern University Student Branch of the American Pharmaceutical Association. James Tallman, Editor, Larry Heller, Associate Editor, Betsy Charles, Advertising Manager, and Merle Smith, Distribution Manager, served on the staff for the year.

The *Ampul* is sent to every person who ever graduated from the Ohio Northern College of Pharmacy, and was received by more than **2200** pharmacists this year.

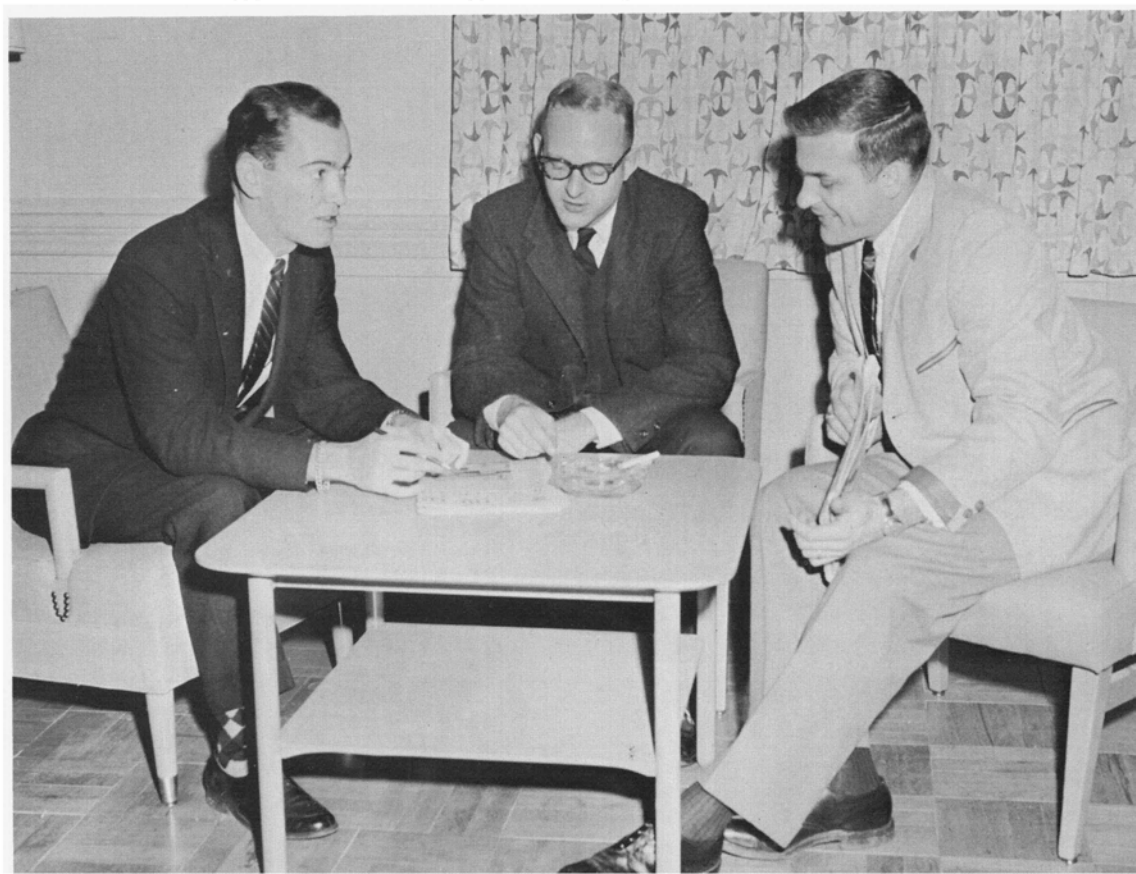

It contains articles about the profession, alumni news, and editorials, and is supported solely by advertisements. The *Ampul* keeps students abreast of the profession and alumni in contact with the school.

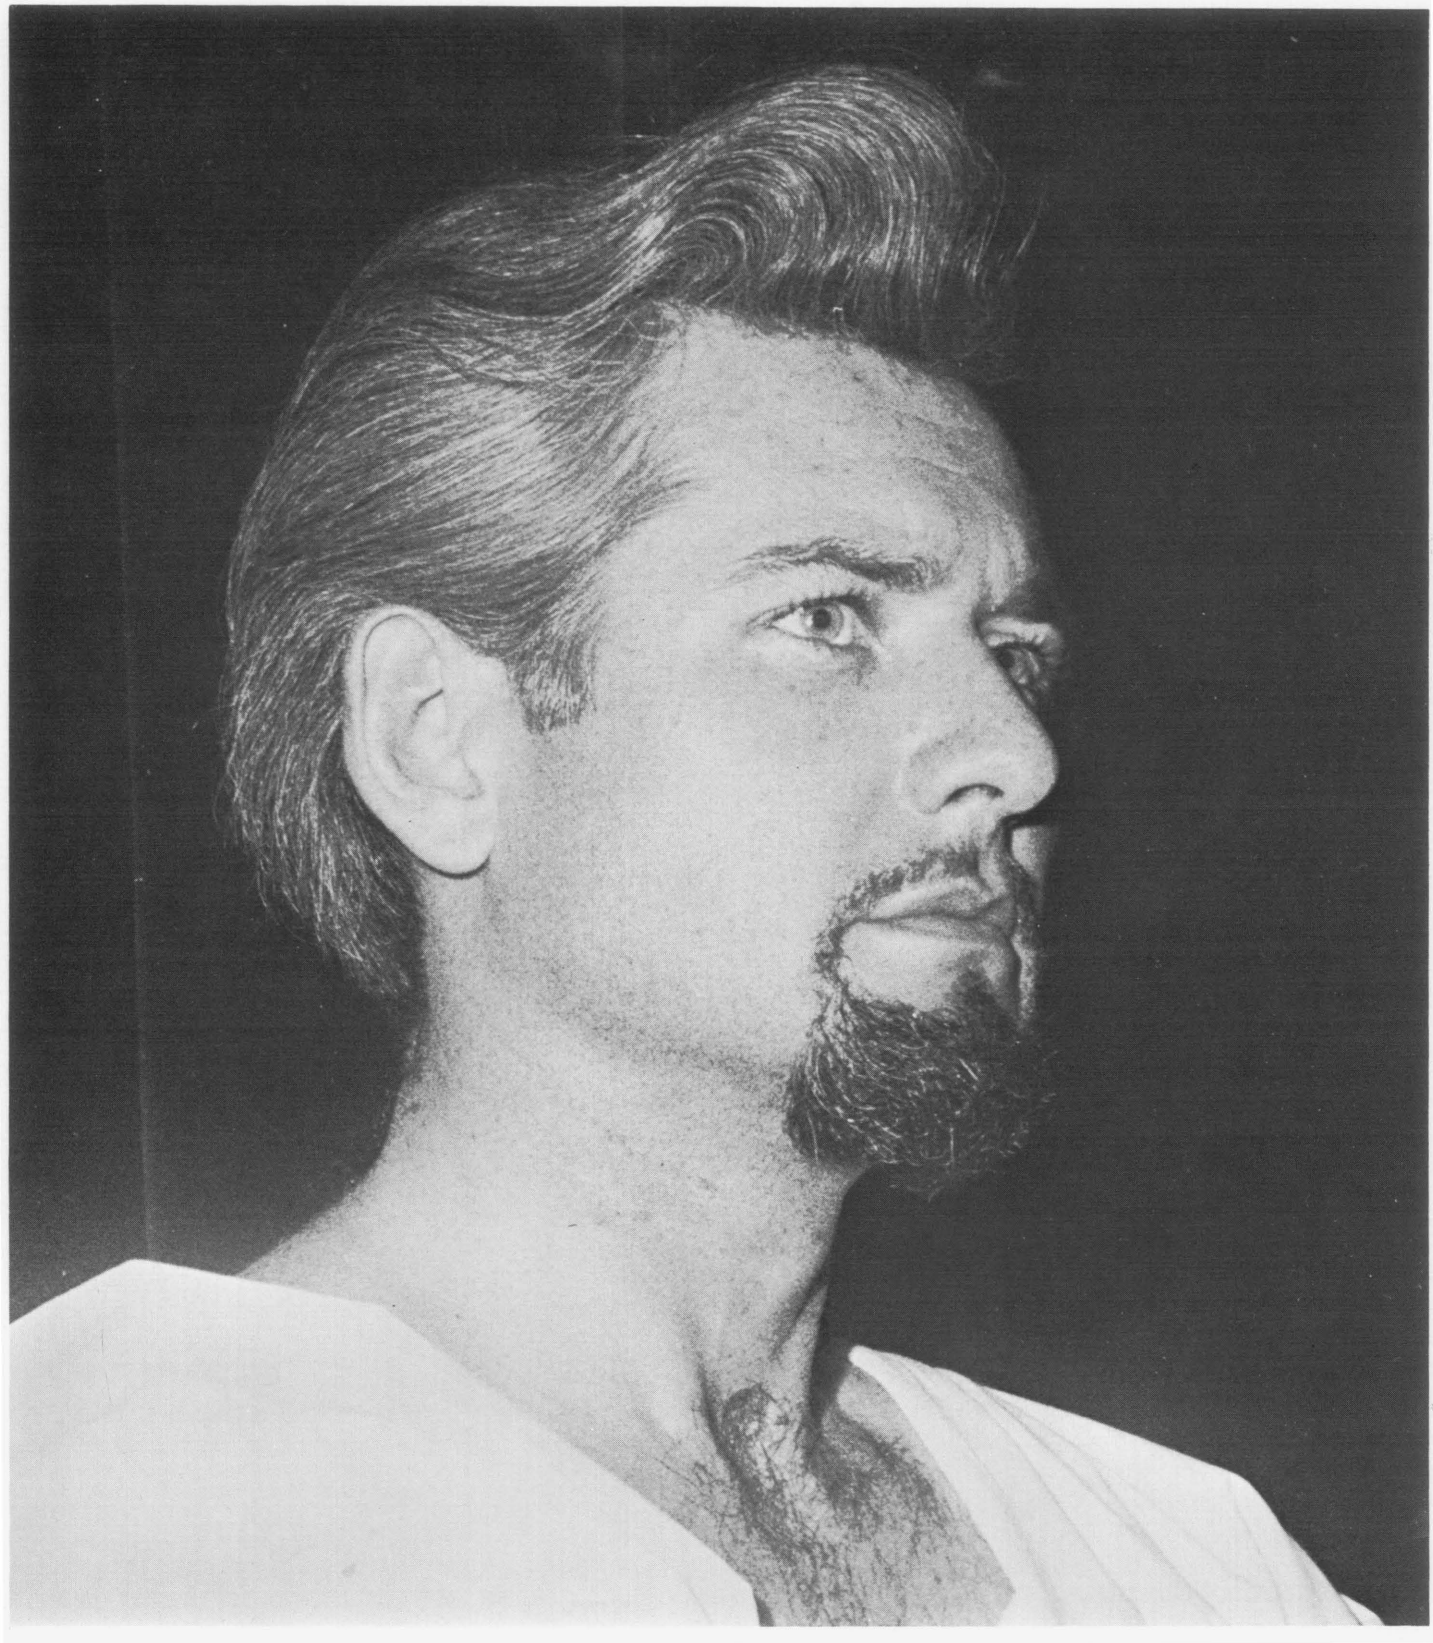

"THE WRIT"

The WRIT serves a two-fold purpose. It provides news of interest to all students and alumni of the law school. In this manner the alumni can keep in contact with the law school's progress. In addition, the paper gives the students valuable training in creative writing.

The WRIT is sent to every law school in the nation as well as to every alumni and student. An exchange of papers by the various law schools gives them insight into the problems and ideas of each other.

The ***Writ*** staff offers suggestions while examining their finished product.

"Oedipus," as played by Ed Radabaugh in a lab production was directed by H. Donald Funk, theatre major. It was presented January 29, 30, and 31 for the public as well as for the students and faculty of ONU.

KAPPA KAPPA PSI

Kappa Kappa Psi is a national honorary band fraternity founded at the University of Oklahoma in **1919,** and now has chapters throughout the country. Sigma Chapter at Ohio Northern was established in **1923,** by members of the instrumental groups on campus, and aimed to promote and improve the quality and performance standards of band music in colleges and universities throughout the United States. The brothers of the local chapter, though few in number, are serving the band director with administrative details, thus permitting him to concern himself chiefly with musical problems.

"LOTUS BLOSSOM", a charming geisha girl, as portrayed by LINDA DELL ARCO in *The Teahouse Of The August Moon.*

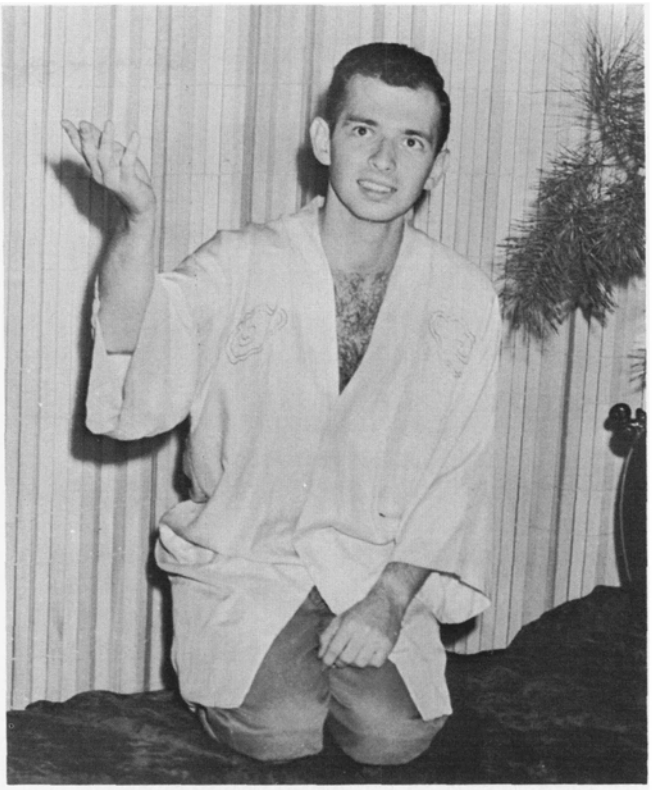

"TEAHOUSE OF THE AUGUST MOON"

In praising "The Teahouse of the August Moon" by John Patrick, one critic stated, "This play beautifully blends satire, robust comedy, charm, and heart. It has everything that a solid hit needs. It even has a dash of human and practical philosophy." All who saw the Northern Players Fall Production were quick to agree that the play, directed and designed by Doyle R. Smith, was indeed a "solid hit".

Jack K. Moore was seen as Sakini, the Okinawan interpreter and skillful arranger of everything, who personifies the wry attitude of his countrymen to their conquerors' efforts to bring them salvation.

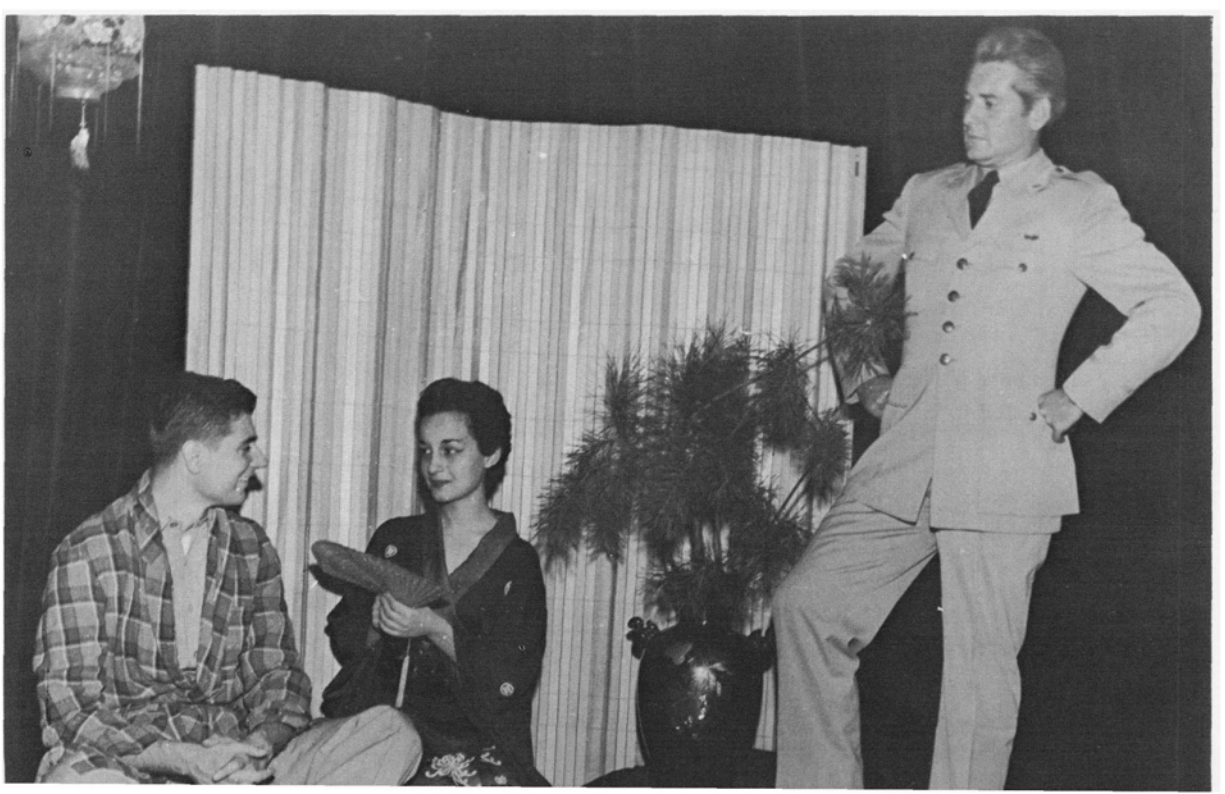

Donald Funk portrayed the conscientious American Army Captain, Captain Fisby, who tries to bring American democracy, education, and prosperity to one small village in Okinawa until his is instead converted to the graces of oriental culture. Dick Fisher played the part of an Army psychiatrist sent to rescue the derelict captain, but who also goes native in turn, to the indignation of the commanding colonel—played by Ed Rodabaugh.

Others in the cast were Sandra Spencer, Sara Hambleton, Philip L. Tanner, James Ruef, Mike Bender, John Cunningham, Ronald Minnich, Clair Myers, Judith Foglesong, Gretchen Voigt, Matt Rice, Mina Gerstenfeld, Joyce Parks, and John Robson.

"Pain makes life endurable" recites SAKINI, as portrayed by **JACK** MOORE.

CAPTAIN FISBY has tea with LOTUS BLOSSOM "Okinawan Style," while COLONEL PURDY looks on indignantly.

Anna (Bonnie Spaunger), is comforted by "Pim" (Philip Tanner), after dreaming that the "Green Police" had discovered their hiding.

DIARY OF ANNE FRANK

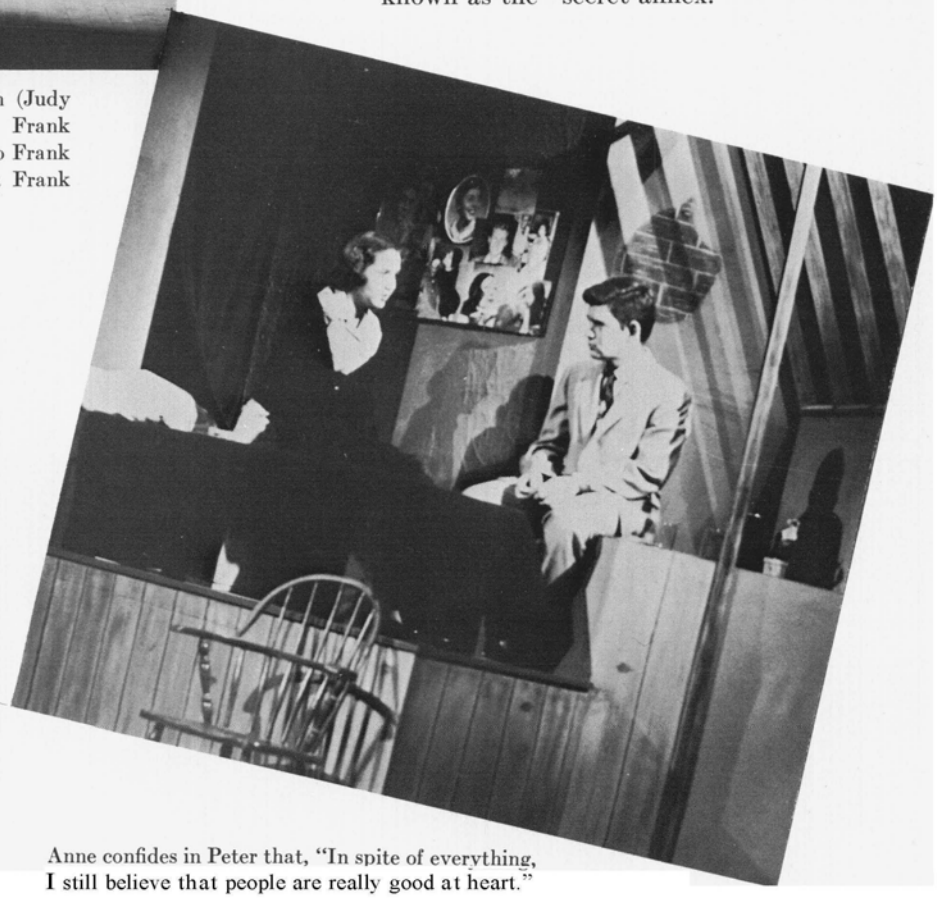

Left to Right: Peter (Clair Myers), Mrs. Van Daan (Judy Foglesong), Mr. Van Daan (Ed Radabaugh), Mrs. Frank (Joyce Johnson), Anne Frank (Bonnie Sprunger), Otto Frank (Philip Tanner), Mr. Dussel (Ron Powers), Margot Frank (Marlene Allen), celebrate Hannekeh.

"In spite of everything, I still believe that people are really good at heart," epitomizes the essence of Anne Frank's character, revealed in strength and integrity throughout the Pulitzer Prize-winning play, "Diary of Anne Frank."

Amidst Nazi terrorism and bigotry, two Jewish families, the Franks and the Van Dans, and later a Jewish dentist, Mr. Dussel, are forced to take refuge in a small attic above a warehouse in Amsterdam, known as the "secret annex."

For two years, the families live in constant fear of being discovered and taken by the Nazis to a concentration camp. Walking in their stocking feet, speaking only when necessary, never running water, and never going beyond the warehouse door, they thus existed. Their only communication with the world was through two Dutch friends—Miep and Mr. Kraler who brought them food daily and also news of the war. The play, however, is more than the story of the hardships that war inevitably forces on peoples, its greatness lies in the simple, frank, observations and inner thoughts that a schoolgirl confided in her diary while the very world in which she lived was being shaken by the horrors of war. These expressions have resulted in her becoming an international symbol of toleration and understanding.

Anne confides in Peter that, "In spite of everything, I still believe that people are really good at heart."

After the war, Otto Frank returns to the "Secret Annex" where he finds Anne's diary which he reads to Miep (Pat Weller) and Mr. Kraler (Dick Fisher), the Dutch friends who had sheltered the Franks and the Van Daans.

Willy Loman looks back on a life that has failed, and which is now coming to an end.

"DEATH OF A SALESMAN"

"Death of a Salesman," awarded the Pulitzer Prize and also the N. Y. Drama Critics Circle Award, is the tale of Willy Loman, a defeated old drummer coming to the end of his career. The story of Willy, played by guest actor, Paul Bressoud, a veteran of over 15 years in theater, tells of a man who lived for a strange dream and tried to have it realized by a worthless son. It is told in a series of varied settings that flash back into the lives of Willy, his wife, his two sons, and the many other people that influence his career as salesman, husband, and father.

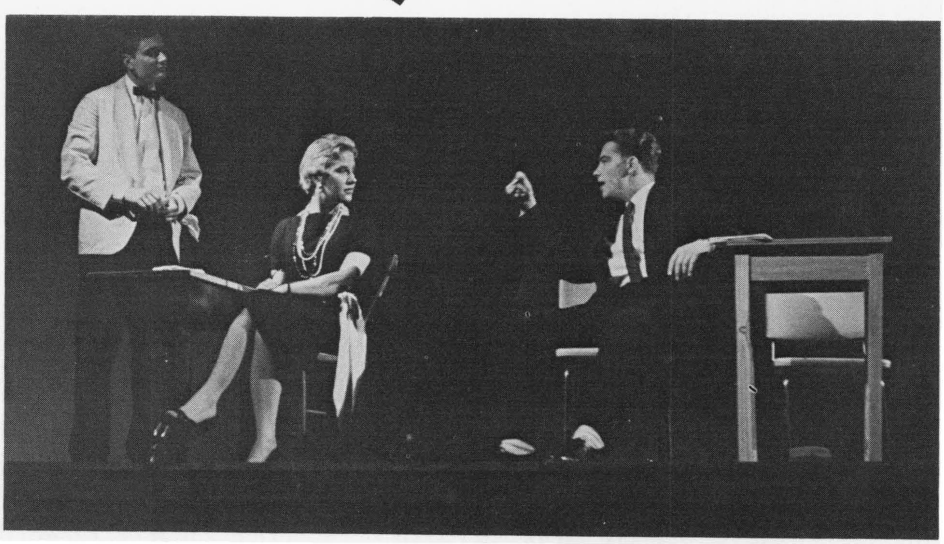

Nostalgia registers on Willy's face as he recollects the "good old days" with his wife *Linda*, Sally Allen.

In addition to Mr. Bressoud, as Willy, the superb cast included Gordon Sears as Biff, the older son who rebels at becoming what he doesn't want to be, Sally Allen, the salesman's devoted wife, and Ronald Patton as Happy, the salesman's young son.

Supporting roles were filled by Phillip L. Tanner as Charlie, Walter Armes as Bernard, Orville Cowell, as Uncle Ben, Jim Ruef as Howard Wagner, Judy Zsembik as the Woman in the Hotel Room, Pat Whitmer as Miss Forsythe, Nancy Allen as Letta, H. Donald Funk as Stanley, Mina Gerstenfeld, as Jenny, and Dale Howard as the Second Waiter.

Willy finds difficulty in overcoming a temporary relapse, despite the combined efforts of his sons; *Biff*, Gordon Sears, and *Happy*, Ron Patton.

Miss Forsythe, Pat Whitmer, regards *Happy*, Ron Patton, with interest as he commences with "the line"—all silently taken in by the waiter, Don Funk.

THETA ALPHA PHI

Theta Alpha Phi is a National Honorary Co-Educational Dramatic Fraternity. It gives honor to people who have contributed generously to educational theatre on college campuses.

The Fraternity holds alternating regional and national conventions, at which students can exchange chapter ideas and gain more knowledge of theatre in general.

Ohio Epsilon's activities are divided into four groups: The Alumni Committee, The Publicity Committee, The Scholarship Committee, and The Touring Committee.

Membership in this organization is based upon the point system. A person must obtain two-hundred points to become a pledge. These points are obtained by working on major productions, and any other group function. As a pledge, a person receives points during the quarter and must have four hundred points in order to become active.

Theta Alpha Phi sponsor entertainment for such local clubs as the Campus Y and other organizations. In addition to this, they also work with the Northern Players in presenting major productions.

Theta Alpha Phi Officers for this year are; Jack Moore, President; Charles Frye, Vice President; and Evelyn Hubner, Secretary-Treasurer.

NORTHERN PLAYERS

Northern Players is the dramatic organization of Ohio Northern. Membership is open to any student who is academically qualified and who has an interest in theater arts of any form.

Last year Northern Players started a touring group which gives a program consisting of scenes from various plays. In addition to this, the Players present one Major production each quarter plus several minor productions.

Each spring quarter, to climax the theater season, Northern Players has a banquet. At this banquet awards are presented to those most deserving. Among the awards presented are the best actress, best actor, most promising Freshman, most valuable contribution, and best technical contribution.

Through Northern Players, students are given the opportunity to earn the necessary points required to become eligible for Theta Alpha Phi, the National Honorary Co-Educational Dramatic Fraternity on Campus.

BAND

The O.N.U. Band under the direction of Charles B. Hill made its first appearance at Homecoming in "Marching Band form" to complete the football game atmosphere. Soon afterwards, however, the band settles down to a more serious tone of music as evidenced by the Christmas Concert they gave in assembly. With the commencement of winter quarter we find the band preparing for what is perhaps their most important event, their annual concert. The band strives to serve as a musical outlet for all students so inclined, and welcomes anyone who wishes to participate in its activities.

The Ohio Northern University Chorus-Choir performs under the direction of Dr. Karl Roider.

CHOIR

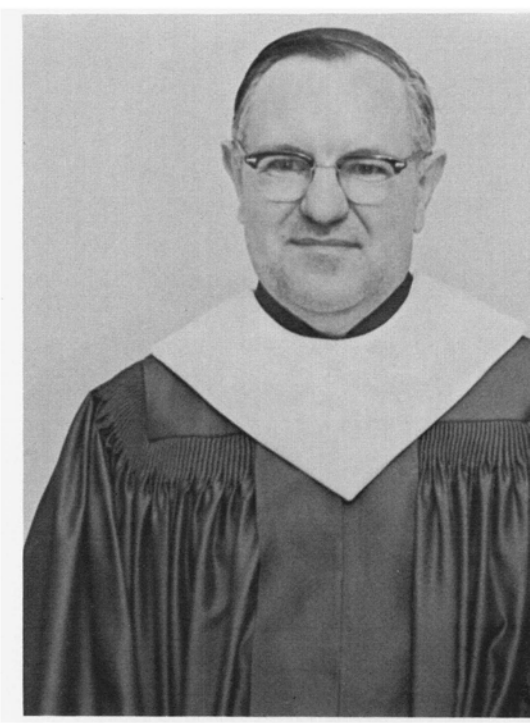

Under the direction of Dr. Karl Roider, the Chorus-Choir presented concerts throughout the year in various Ohio cities, as well as presenting its annual home concert in the spring. In addition, the Choir presented a special performance for returning alumni at Homecoming.

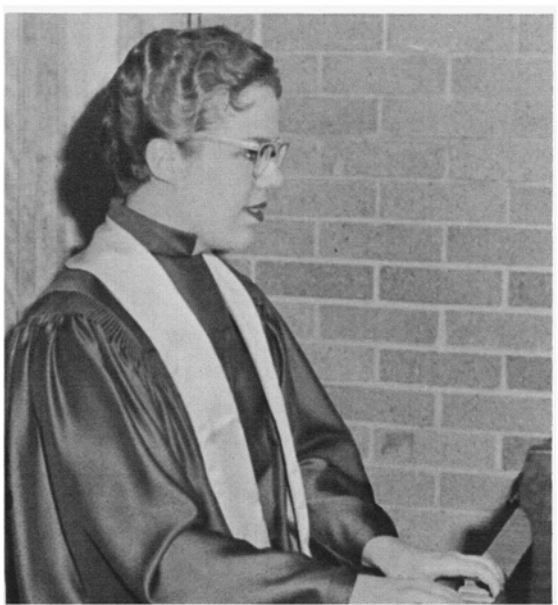

Highlighting the year's activities, the Choir, in addition to its regular concerts, and chapel performances, presented its traditional "Choral Cabaret." The theme of this year's Cabaret was "The Carol Tree," in which the Choir performed in the design of a huge Christmas tree.

By far the most exciting event of the year is the annual spring tour. This year, the choir in their newly purchased robes decided on a Southern tour which included performances throughout the South, including Florida.

The last performance of the Chorus-Choir takes place at Commencement exercises in June.

INTER-FRATERNITY COUNCIL

The Interfraternity Council or IFC, as it is popularly known, is the governing body behind our eight fraternities here at Ohio Northern. The Council is composed of one representative from each member fraternity and performs many vital functions on campus.

In an attempt to bind the fraternities closer together, IFC settles disagreements and promotes good will in general. The IFC also controls rushing, pledging, and Help Week activities.

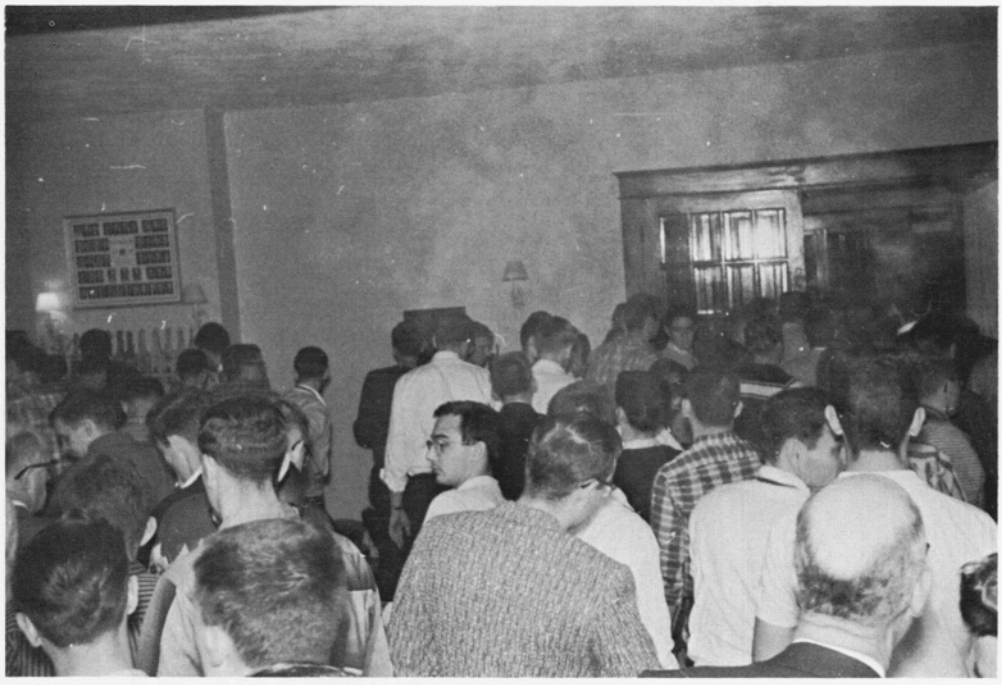

Being comprised of eight social organizations, the IFC sponsors a number of combined social activities for the fraternity men. Each year we conduct Greek Sing, Greek Skit, and of course, the IFC Ball, to climax our social calendar.

The fraternities also lend their willing support to all campus functions such as Homecoming decorations, May Day floats, and Campus Chest. The University can point with pride to the fraternities for their good citizenship and all around support. This alone makes us proud to be called fraternity men.

Alpha Epsilon Pi was founded at New York University on November **7, 1913.** It was the first national social fraternity to be founded at the Washington Square Campus of New York University. Kappa Chapter was installed at Ohio Northern University in **1924.**

Each year a social calendar is planned so as to insure the members of a well rounded chain of social events. This year's calendar includes Homecoming, Spring Formal, Winter Formal, IFC Weekend, Parent's Day, and many other social events.

Alpha Epsilon Pi is also very active in all school and Intramural activities. With the guidance of our senior members and the spirit of our pledges, we are looking forward to a year of fulfillment and satisfaction.

ALPHA SIGMA PHI

Alpha Sigma Phi Fraternity was founder at Yale University on December **6, 1845** and holds the honor of being one of the **10** original National Interfraternity Council members. The Alpha Sigs have been active this year, as in the past, in all campus activities. In intramurals the Alpha Sigs won the 1958 All Sports Trophy making it four years in a row. Other Alpha Sigs are active in baseball, basketball, football, track, tennis, dramatics, music and many other campus activities and groups. Most outstanding of the house improvement this year is the striking red color of the house, applied with the diligent effort of the brotherhood. Like the exterior of the house, the interior was also redecorated proving that there is hidden talent within the closely knit brotherhood. The Alpha Sigs are a spirited group and fought a hard struggle to defeat the Theta Kaps in the 1958 May Day Tug-of-War to make it four straight victories in the event. The Alpha Sigs also won the 1958 Homecoming Pushmobile Race, winning the race for the third year in a row. Dean Emeritus Rudolph Raabe and Thomas Smull are prominent alumni of the local Alpha Sig Chapter. Socially the Alpha Sigs have revived their Christmas Formal and above all anticipate the Talisman Rose Formal held each Spring.

DELTA SIGMA PHI

The Delta Sigma Phi International Fraternity was founded at the City College of New **York** in **1899,** and the Ohio Northern chapter, Alpha Eta, was installed in **1920.** In November we had a total of 40 brothers and pledges. The faculty members who are brothers in our bond are Dean Lawrence Archer of the College of Engineering, Doctor Karl Roider of the Department of Music and Doctor Robert Hilliard of the Department of History. Each year the social calendar is dotted with certain regular events. As a social fraternity, the usual house dances were held as well as the annual Bowery Brawl, Sailor's Ball, Winter and Spring Formals, and the Alumni Banquet. The Delta Sigs have been active during the past year in nearly all campus activities, and have strong memberships in almost all of the clubs and organizations. Like all other fraternities, Delta Sigma Phi proposes to give its members that intimate, beneficial fellowship with good men which is necessary for their full development, and a supplement to their cultural and professional education.

KAPPA PSI

Kappa Psi Pharmaceutical Fraternity was founded in **1887,** and for **38** years Gamma Delta has been an active chapter here at Ohio Northern. Kappa Psi leads in the number of alumni when compared with other pharmaceutical fraternities throughout the country. Nationally, Kappa Psi is a sponsor of many academic awards for students working on the development of pharmacy, and is prominent among the leaders of the various pharmaceutical organizations.

This year, Kappa Psi and its sister sorority, Kappa Epsilon, sponsored a coffee hour for Freshman pharmics. The hour was planned to better acquaint the students with the facilities of the Pharmacy building and the Pharmacy faculty. During the year, Gamma Delta sponsors a display for National Pharmacy Week.

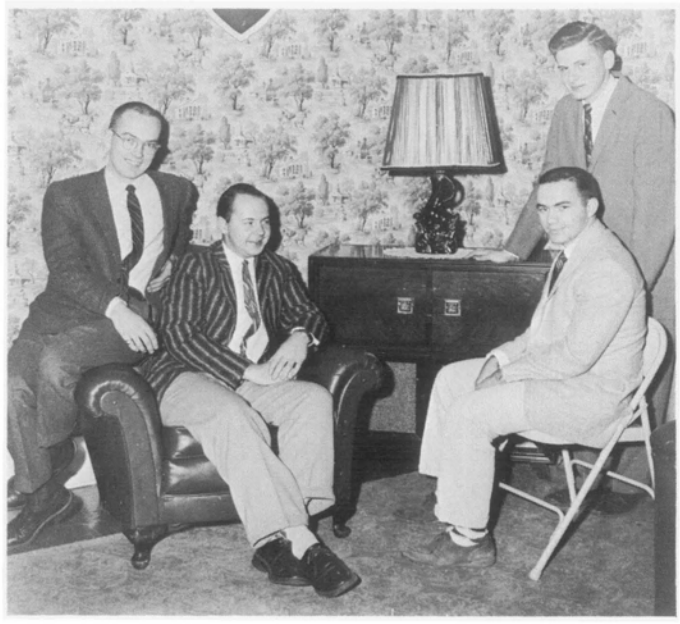

Throughout the year, Kappa Psi presents such dances as the Harvest Dance, Christmas Dance, and Sweetheart's Dance. The social events of the year are climaxed by the Spring Formal held at Indian Lake.

Kappa Psi was prominent in campus affairs again this year. Our regent, George Selover, held the office of Inter-Fraternity Council President.

Dean Smith, heading the College of Pharmacy, and Dr. David Yoder, professor of Pharmaceutical Chemistry, are active members of Gamma Delta. Dean Emeritus Rudolph Raabe is a revered graduate member of this chapter.

In campus organizations the brotherhood has been very active. The Student Council contains three brothers, with another brother as a member of the Board of Governors. Three class officeswere held, two in the Junior class and one in the Senior class. Brother Gary Morris is the president of Wesley Fellowship, Brother Clyde Cullings is the President of the Presbyterian group, and Brother Phillip Monteneri is the Vice-president of the Newman Club.

On the recreation side, Phi Mu Delta holds one dance per month which may adhere to various themes. The big dance of the year is the Spring Formal, which is usually held off campus. Phi Mu Delta participates in all interfraternity sports. The track team won the annual fraternity track meet.

SIGMA PI

Zeta chapter of Sigma Pi is an active participant in all inter-fraternity activities at O.N.U. Our close brotherhood also has many representatives in all fields of extra-curricular functions. Phil Tanner, James Ruef, and Joe Uveges are all actively working for Theta Alphi Phi Honorary Dramatic Fraternity. Bill Lang, a senior in law school, is fighting for honors in his class. Over the past three years we have captured the inter-fraternity bowling league honors. Along with the team title, we had several individual titles with James Day bowling a high single game and series and Robert Dieckmann having the high average.

However, our biggest accomplishment was the winning of high scholastic honors for the Fall and Spring quarters and placing second during Winter quarter.

THETA KAPPA PHI

Zeta Chapter of Theta Kappa Phi, a national fraternity for Catholic men was founded thirty-three years ago on the campus of Ohio Northern. The fraternity offers a unified Catholic atmosphere, maintaining the Catholic standard of morality while providing all social, educational, and athletic advantages.

At a special convention held at Columbus, Ohio, on September **8,1958,** delegates from each chapter of Theta Kappa Phi voted to join together with Phi Kappa, also a national Catholic fraternity. This new fraternity will be called Phi Kappa Theta.

The Theta Kaps have been very active during the past year in Campus activities. The brothers took the award for the best Homecoming decorations. They won the Inter-fraternity and also the All-campus football championship. In sports, they have members on the football team, the basketball team, the wrestling team, and the track team.

Socially, the year was a great one. It included the annual Homecoming banquet and dance, the Pledge Dance, the Turtle Hop, and the Spring Formal.

Their faculty advisor is Professor Mathew **V.** Pothier of the College of Engineering. The Reverend Francis **X.** Schweitzer is their spiritual advisor. Zeta has an active membership of thirty-five brothers.

Pan-Hellenic Council is composed of the president and vice-president of each of the three sororities. The Council acts to co-ordinate the activities of sorority women with those of the University, Inter-fraternity Council, and non-sorority women. The council also strives to promote intellectual achievement and scholarship and to maintain high social standards on campus.

Meetings are held regularly under the direction of Mrs. Elma Grant Davis, Associate Dean of Students. All regulations concerning rushing and pledging, as set up by our constitution, are enforced by this council. This year separate meeting and storage rooms for each of the Sororities have been provided by the University.

Since at this time no project for the year has been decided upon, our main social event will be the Tri-Sorority Formal which is held annually each Spring. This is usually held out of town and is only open to sorority members.

Carol Sue Metzger, Rhea Kimmel, Nancy Montgomery, and Sara Hambleton chat informally during rush week.

The third week in January is set aside by the Pan-Hellenic Council as Rush Week. During this time, the sororities hold their rush parties and at the end of the week, bids are distributed. Pledging of one quarter follows and if all requirements are met, the pledges go active in the spring following "Help Week."

In order to pledge a girl must have completed one quarter's work and must have a 2.0. Each sorority has a pledge quota of one-third of the Freshman women who have this average.

The themes of this years Rush Parties were: "Around the World in Eighty Days," Theta Phi Delta; "Stroll Down Fifth Avenue," Tau Kappa Kappa; and "Le Maison de la Jardin," Phi Chi Sororities.

Last spring quarter, the Phi Chi's won the Sig-Olympics trophy on May Day. Betsy Charles was freshman attendant to the May Day Queen. Homecoming once again found the Phi Chi's honoring the Alumni. This time it was a buffet dinner and a very special event since it celebrated the fiftieth year of Phi Chi. Joyce Stacy was an attendant to the Homecoming Queen. In October, a dance, "Witch's Whirl," was held honoring the freshmen. At Christmas time the Phi Chi's donated gifts to an orphanage. A nice rush party was held in January. This year's winter formal was a dinner-dance held at the Lima Club. Music for dancing was provided by the Lime Lites.

The fall social activities were headed with Homecoming, when Carol Terbot served as attendant. In carrying through the latest rage of the season, the T.K.'s sponsored the "Hoola Hoop Hop." The sorority followed this by an aquatic theme when the "Under the Sea Dance" was held. In keeping with tradition, the Annual Christmas Party was held at the home of Mrs. A. C. Smith, the sorority advisor. Trophies won by the sorority were: the 1958 Spring Scholarship Trophy; in intramural sports, the 1958 W.A.A. volleyball championship trophy. The T.K.'s offered their services during campus chest last year by cleaning the fraternity house of the highest bidder.

The rush party, Greek Skit, the Winter Formal, and more dances completed the year—all of which led the sisters to anticipate another successful year.

It was a big wonderful year for the Sisters of Theta Phi Delta! The year commenced with a bang when the Theta's proudly walked away with all the Homecoming honors. After a full day's activity, highlighted by winning the pushmobile race, the dance that evening in honor of our queen candidate, Miss Stella Patsiavos, climaxed a hectic, but rewarding week of campaigning.

The Theta's tackled their extensive social program for the ensuing year. A dance welcoming the freshmen, entitled "Ein Bierschenk," followed in quick succession by "Beggars Night" on Halloween, the proceeds this year donated to the County Welfare Association; next an "After Theater Party" and finally our dance, "Warmth in the Snow," bringing fall quarter to a close. After a brief Christmas recess, the Theta's waste no time getting back into the swing with their rush party, "Around the World in **80** Days." The rest of their calendar included the winter formal, pledge dance, mother-daughter dinner, and, of course, an active part in May Day, climaxed by the Almunae Luncheon in June. During the spring of **1958,** the trophy case showed evidence of "much hard work" with the addition of Greek Skit, May Day Float, and Greek Sing.

All too soon, another year of fun, work, and friendship in Theta Phi Delta was ended as graduates bid good-bye at the "Farewell" to enter the circle of Sorority Alumnae.

The Theta's are practicing for Greek skit.

The torch parade is a familiar activity for the "Thetas" at Homecoming.

POLAR BEARS IN FOOTBALL

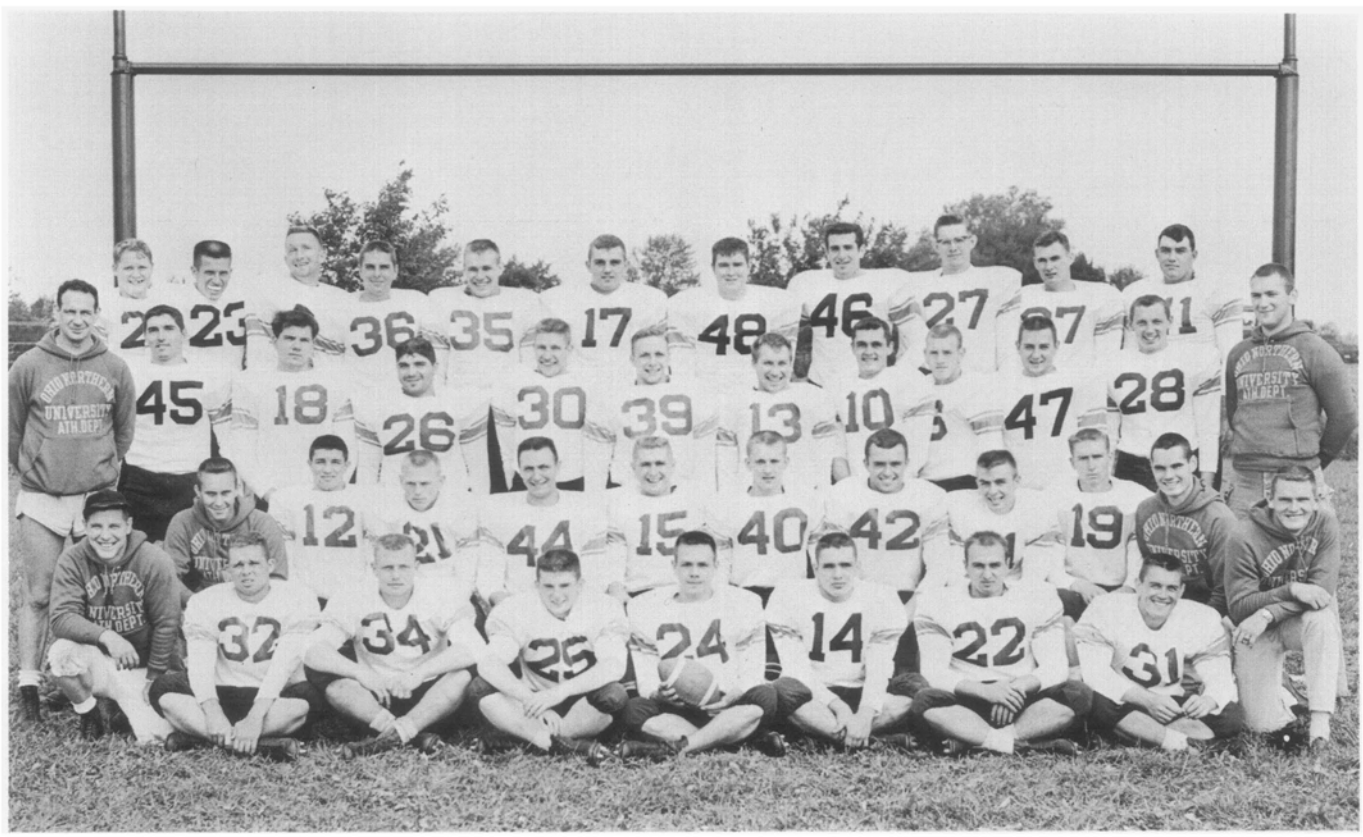

TEAM PLAY AND IMPROVEMENT OF ALL MAJOR STATISTICS NOTED

Although the won-lost record wasn't much better than the **1957** season, head coach, John Nettleton, felt that the entire team had shown great improvement. "During my first year at Northern in **1956,"** he stated, "we scored **45** points while the opposition scored **377** points; this year we scored **88** points and held the opposition to **185** points."

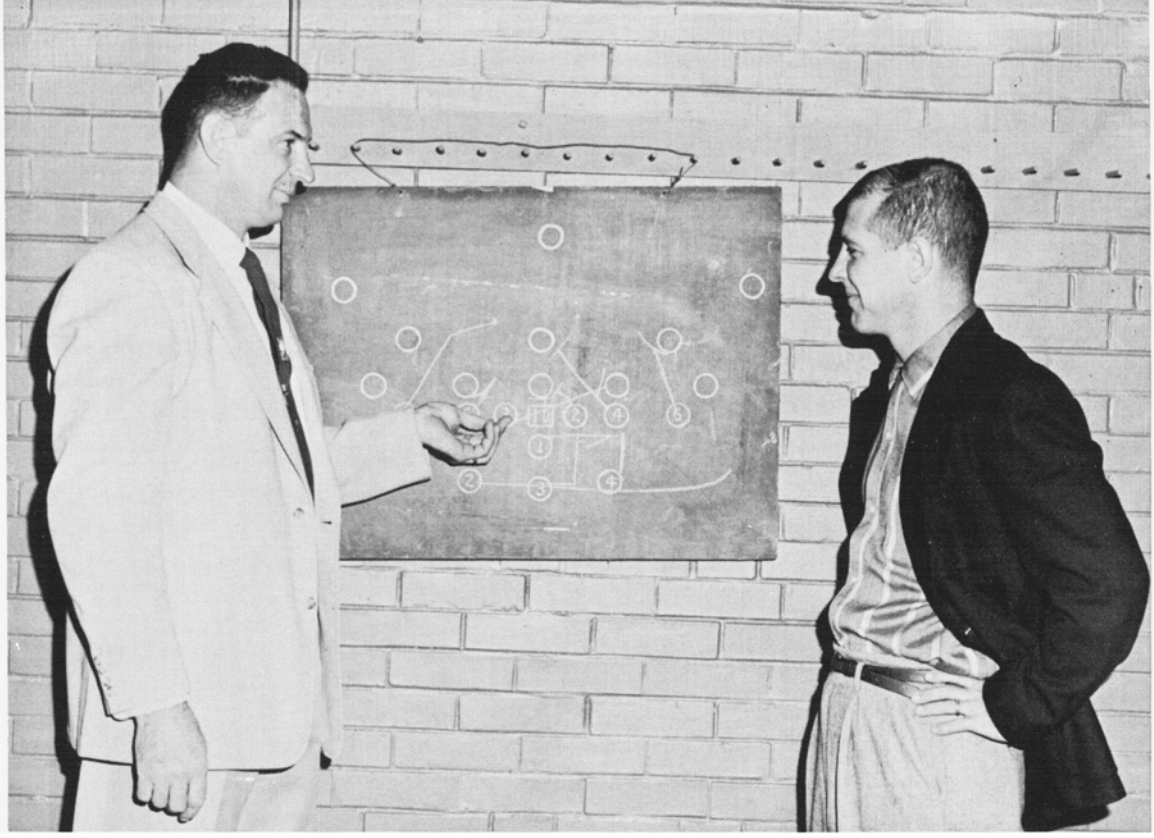

The Polar Bears were hampered by injuries throughout the season and in one game, seven of the regular starters, including all four line-backers, were sidelined because of injuries. In this situation, the coach received the dividends of a strong bench force.

A notable difference over last year is exemplified by the fact that only one team kept the Polar Bears from scoring. Their refusal to give up and their attitude of coming back at all times were exponents of their improvement.

Coach Nettleton feels that a prime factor in next year's season will be the return of eight Freshmen lettermen. It will be the first time in many years that the Polar Bear squad will consist largely of upperclassmen.

NORTHERN ENDS SEASON WITH 1-4 M.O.L. RECORD

PFEIFER AND ZIMMER MAKE ALL-CONFERENCE TEAM

MAURICE PFEIFER, a senior in physical education, was a co-captain of the 1958 football squad. At center position, "Moe" showed outstanding ability both offensively and defensively. Statistically, Moe lead his team in fumble recoveries.

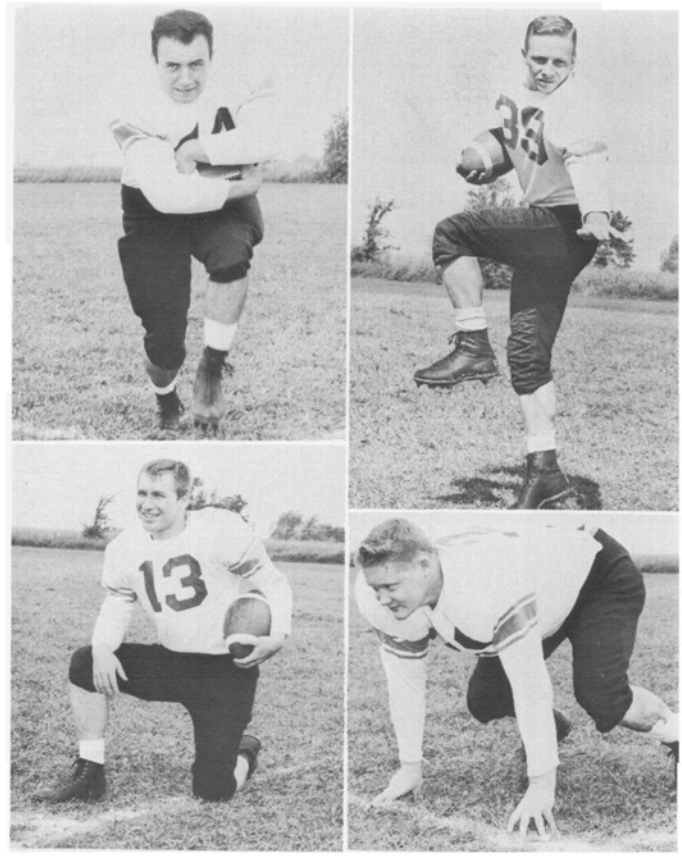

ALLAN ZIMMER, a junior in mechanical engineering, made the All-Conference team for the second year. According to the statistics, Al completed 21 passes for a total of 243 yards. Last year he completed 28 passes for a total of 543 yards.

BLUFFTON 55

Northern was unfortunate in having to open its season of play against a team that had already played two previous games. Bluffton was the only team to hold the Polar Bears scoreless. NORTHERN 13 DEFIANCE 33

Northern, without the services of seven of its regulars, was outclassed by a good Defiance squad which capitalized on fumbles and interceptions to down the Polar Bears by a **33-13** score. A sparkling **82** yard kick off return for a TD by Tom Tilton, was the highlight of the game as far as the Northern team was concerned. The defensive unit, captained by Bob Pitts, did a very commendable job in holding down the score. Also outstanding for the Polar Bears were John Evans, Allen Zimmer, and Doyle Foltz.

NORTHERN 6

The Polar Bears probably played the best game of the season against the number two team of the conference, Findlay. Northern finally lost out by a final score of 26-6. The defense gained consistently, but fumbles and pass interceptions stopped four goal line drives engineered by the Northern offensive team.

WAYNESBURG

The game was marred by many penalities and Northern was finally overcome by the Waynesburg team **26-15.** The injuries **of** Hammond Keith and Guy Valerio, plus four intercepted passes were the deciding factors in the Polar Bear's downfall, although they put up a scrap all of the game. The outstanding factor of the game was the strong unrelenting determination that was shown when Northern was behind, but time finally ran out for the Northern team.

ALMA

O.N.U.'s final game of the season was played on a cold, snow-covered gridiron at Alma, Michigan. After scoring early in the first quarter, the Michigan team controlled the score but not the game. In the second quarter, Hammond Keith picked off a goal line pass and galloped **97** yards for a TD behind some key blocks by John Evans and Guy Valerio. A **57** yard rally, spearheaded by Bob Gick, ended the game and closed out the **1958** season.

In the first year of its organization, wrestling at Ohio Northern was organized and coached by John Nettleton, who led his team through a rugged season. Roger Ebersole and Norm Douglas, who only lost one match, were the outstanding matsmen for Northern. There were only two of the squadsmen who had ever had experience in wrestling.

Members of the Wrestling team included: Bill Gildersleeve, Roger Ebersole, Mark Barnes, George Jackson, Norm Douglas, John McGaughey, John Poma, Frank Wallace, Ken Woods, Gerald Pascador, Bill Vail, Allan Royer, Jerry Vinella, and Ben Violet. All the teams which the Northern matsmen encountered during the season, were undefeated, including Toledo which is one of the top wrestling teams in the United States. Bowling Green was crowned the Ohio Conference champions for the season **1958-59.** The Findlay squad defeated such well known universities as Notre Dame, Miami University, and Ohio University.

TRAMPOLINE—PARALLEL BARS

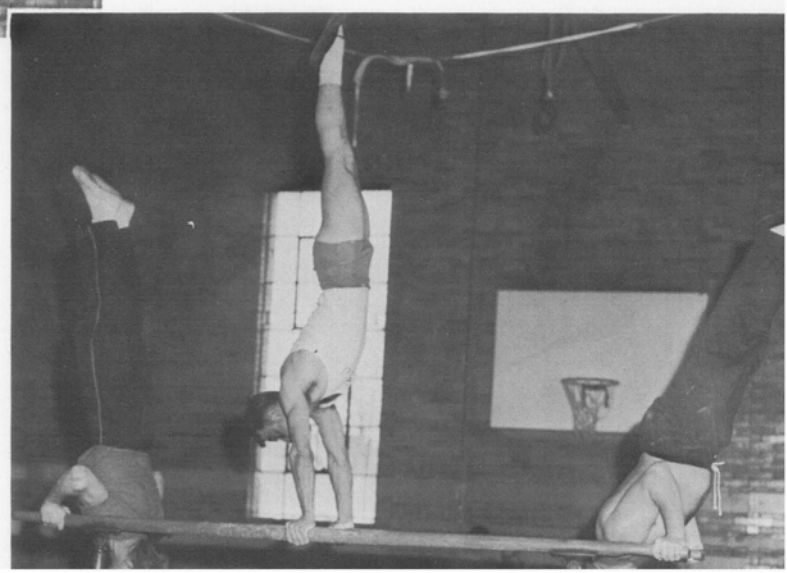

This year for the first time, the physical education department presented a series of gymnastic demonstrations. The leader and director of this group was Robert Gobin. The purpose in presenting the gymnastic demonstrations was to educate those people having a poor conception of the physical education program. Ohio Northern's gymnastic program emphasizes all-around physical development and provides activities which can be beneficial and enjoyable for many years to come.

The most complete show of the winter quarter was presented on February 7, for the Methodist Youth Rally. This show included: tumbling and balances, a wrestling demonstration, a brief "professional" wrestling match, and a trampoline and parallel bar demonstration. This was a composite showing of the various half-time shows presented during the basketball season.

Some of the regulars participating in these shows included Betty Cuningham, Alice Gobin, Phil Grady, Norm Young, Phil Dorinski, Khin Soe, and Harry Lee. It is hoped that this group can be increased in number as well as ability, and perhaps will someday be an important factor in publicizing the education department.

Ice hockey made it through a third season on the Ohio Northern campus in the form of the ONU Hockey Club this past winter.

The student team is composed of ONU students interested in ice hockey.

Jay Ganz, a junior from Richwood, West Virginia, was elected team captain. Haze Deckrosh, last year's captain, and Jim McQuade, a freshman who played high school hockey in Boston, were elected as alternate captains.

The team business was handled during the past season by Jim Boylan, a senior from Elyria, who served as general manager; Ganz, assistant general manager, Tim Gnidovec, treasurer, and Paul Chrismer, secretary.

Northern's student team is a charter member of the Ohio Intercollegiate Hockey Association, Ohio's first and only college ice hockey league. Other teams in the OIHA are from Ohio State University, Ohio University, Fenn College, Denison University, and the University of Dayton. None of these teams are financially backed by their universities, although most of them do get some kind of aid from various campus groups.

Northern played its home games at Troy as did Ohio State, Denison, and Dayton. Ohio **U** is the only college or university in Ohio that has its own ice rink.

GOLF SEASON A SUCCESS

The outstanding linksmen were Bill Ritter, Russ Brown, and Dick Harris. Other lettermen of the team were Jim Day, Charles Justice, and Bob Keller. Charles Pritchard and Mike Carey also helped the linksmen. The loss of Bill Ritter through a fatal automobile accident and senior coach Paul Cramer will be compensated for by several promising freshmen.

Lloyd Painter, the high scoring backbone of Northern's track squad, led the squad through its second successful season. Lloyd scored 76 points, and in every event in which he participated, a new record was set. The opposition was keen, and track coach, John Nettleton, picked letter winners, Herb Miller, Jerry Marshall, Norb Barry, Ron Woofter, Gary Sagerman, John Matz, and Don Moore, for special praise.

The squad consisted of T. Tilton, J. Deem, B. Manhke, C. Frye, D. Hole, H. Keith, C. McCormick, J. Maxim, D. Foltz, T. Carsone, J. Jackson, J. Van De Grift, T. Geschwind, A. Zimmer, and R. Jump.

With emphasis, the coach says, "In this second year for track at Northern, I feel the improvement has been tremendous. With a little more emphasis on distance, weights, and sprints, Northern should be a very tough team next year."

JOHN NETTLETON,
Track Coach

Gary Sagerman, placed first in the 2 mile run against Findlay. This was the first time Gary had run the 2 mile.

BASEBALL TEAM PLACES SECOND IN MOL.

Paced by the hitting of Jim Seckman (.519), Carl Fulmer (.450), and Don Skelly (.320), the Northern baseball team finished second in the Mid-Ohio League. Pitchers Stan Buehrer **(4-1),** Don Leis **(3-2),** and Don O'Black **(1-3),** ably assisted the team in its outstanding season.

The Northern team was invited to the National Athletic Inter-Collegiate Association play off at Youngstown on May **30, 1958.** The participating teams were Ashland, Baldwin Wallace, Youngstown, and Ohio Northern. Northern lost out in the final round **11-8,** to Baldwin Wallace in a tough game to lose for Coach Marvin English's crew.

Coach English points out, "This year's record of ***8-5*** is one of Northern's best since **1948,** when we won the Ohio conference title. We will lose Don Skelly and Don Leis at graduation this spring, but we certainly have a very bright outlook for the **1959** season."

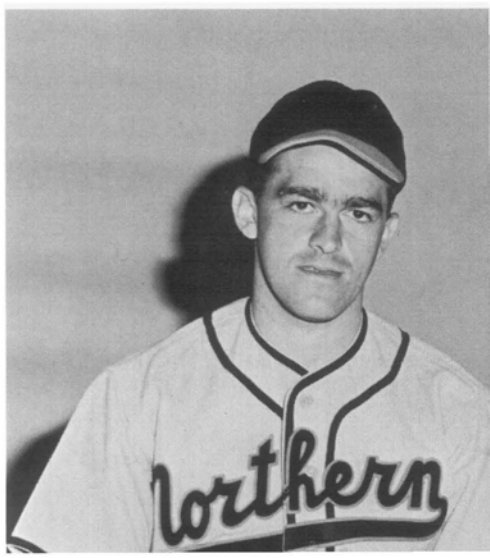

Fulmer and Seckman Outstanding Performers.

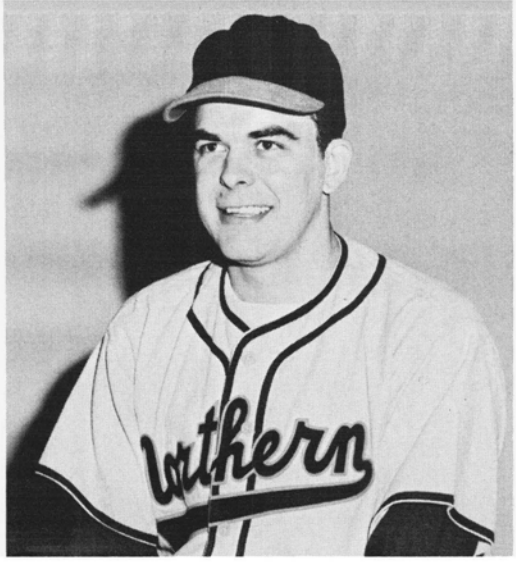

Carl Fulmer,

Carl Fulmer, a junior who held the second highest batting average for the Polar Bears, was named "All Mid-Ohio Catcher." Jim Seckman, a freshman, led the Northern squad in fielding with a near perfect record of **.991,** as well as being the leading hitter. These two players will certainly be an asset to next year's team.

GREEKS AND INDEPENDENTS SEEK ALL CAMPUS HONORS

The Intramural program is supervised and planned by John Nettleton. The program consists of two separate leagues: the fraternity and the independent. In the fraternity league, all the frats on campus are in competition with one another. The independent league is managed in a similar manner. Playoffs are then held to determine the "all campus winners." In most of the activities, rotating trophies are given to the fraternity champions, the independent champions, and the all campus winners.

Intramural competition includes golf, tennis, horseshoes, football, cross country, volleyball, basketball, badminton, foul shooting, ping-pong, track, bowling, and softball. Points are awarded in the fraternity league for firsts and runners-up in each sport. The group with the greatest accumulative points at the end of the year is awarded the coveted "All-Sports Trophy."

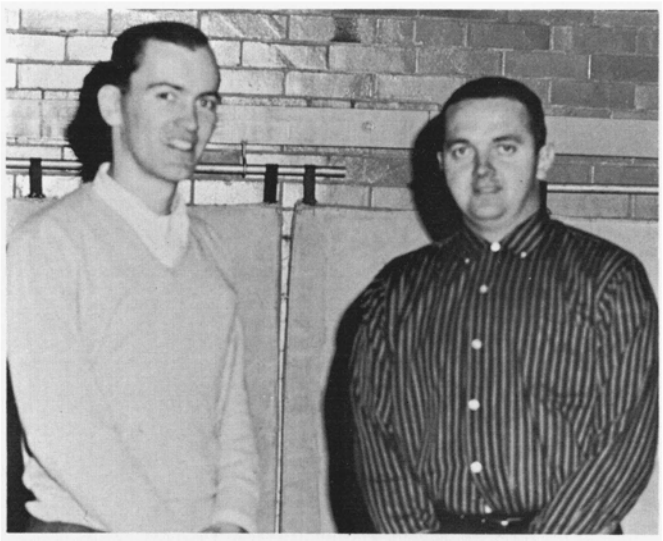

Coach John Nettleton, director of the intramural program, is about to hand out the trophies to the champion intramural teams and the all-campus winners.

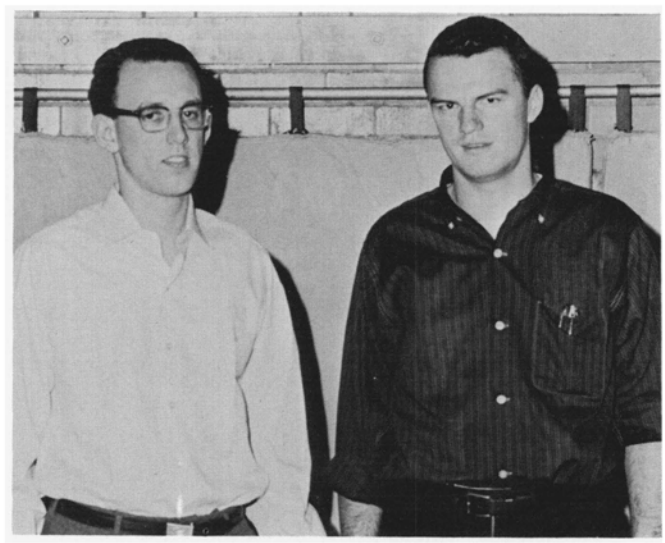

Larry Edwards accepted the coveted "All Sports" trophy on behalf of the Alpha Sigma Phi fraternity.

FENCING

The sport of Fencing was revived for women this year, after several years of dormancy. New equipment was purchased and basic techniques were taught in classes. Another year should see it used in bouts. Teaching included the grip, stance, arts of attaching and defending with the foil, and parries.

Helen Fleming and Jewell Moody

Laura Heller and Gretchen Voigt are keeping score for their bowling teams, while Ann Lictenberger, Nancy Greenwood, and Marlene Keller wait for their next turn.

BOWLING

With the opening of Norada Lanes, classes were held for the first time to instruct in the art of placing the ball to the pins. Instruction was given during the Winter Quarter as a regular class. Teams were formed and vied for averages. This proved a very popular sport.

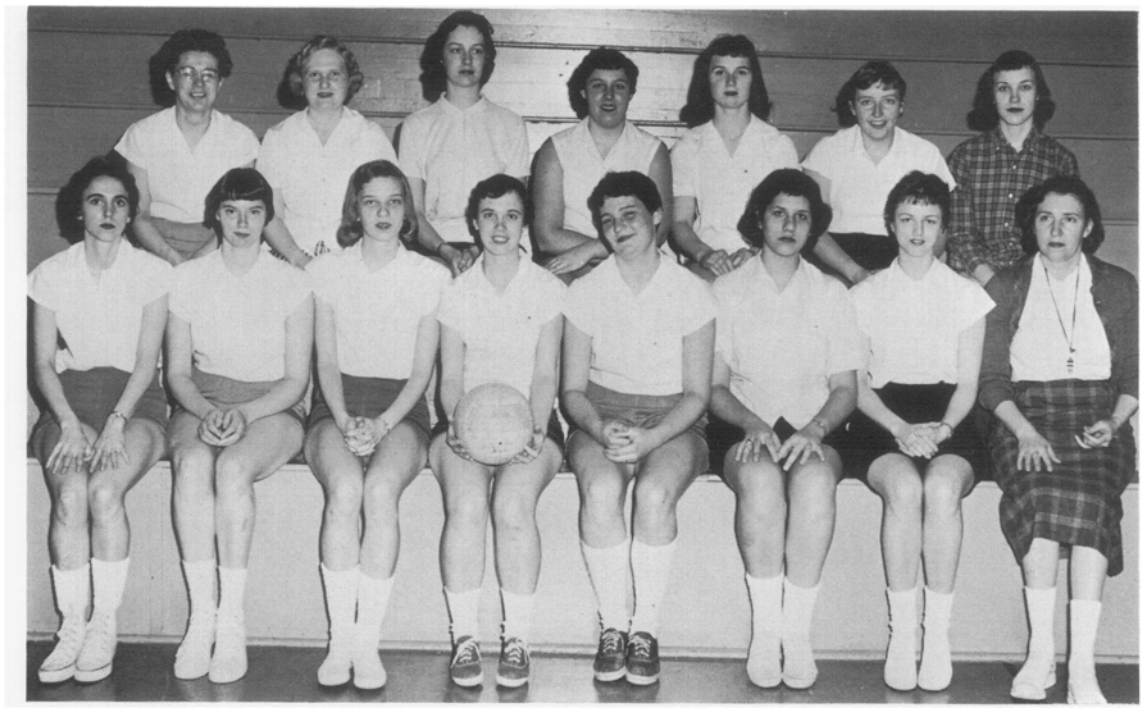

Right: Lined up to bowl are Janice Stahl, Carol Miller, and Marlene Keller.

VARSITY VOLLEYBALL

Due to the volleyball season being so early in the school year, only two games were played—both with Bluffton. The Ohio Northern girls first played the Bluffton girls at Taft Gymnasium, winning the first two games by a score of 21-4 and 21-15. The Northern girls employed very good team work with excellent setups and very good spiking of the ball by Janet Vannorsdall and Helen Fleming—two of the net forwards.

The second game was played against Bluffton on their court. Again the Ohio Northern girls came through to win the first two games. This game also featured good team work on the part of the Northern girls and very good spiking by the net forwards.

Ohio Northern had a very good girls' volleyball team but did not have the opportunity to compete against other college girls more than twice. They ended the season with a 2-0 record.

VOLLEYBALL CHAMPIONS: *First Row:* H. Fleming, C. Opdycke, M. Scott. *Second Row:* J. Niehausmeyer, B. J. Foulkes, D. Pond, **B.** Cunningham, S. Allen.

IN FALL. . .

T.K.K. CAPTURED FIRST PLACE IN VOLLEYBALL

The Tau Kappa Sorority started the volleyball tournament with a loss to the Ada-Independents team, but continued to win the rest of their games. This created a tie for first place with the Ada-Independents, who had also dropped one game. The TKK's had nine very aggressive players with the determination to win the championship, and thus defeated the Ada-Independents in the play-off, and claimed the honors.

There was also a play-off for third and fourth place between Theta Phi Delta and Phi Chi, which was won by the Phi Chis.

The team standings in won and lost record were: Tau Kappa Kappa 4-1, Ada-Independents 3-2, Phi Chi 3-2, Theta Phi Delta 2-3, and Freshmen 0-4.

GIRLS' INTRAMURALS

During the school year the girls have a chance to compete in intramural tournaments which are set up and conducted by the Women's Athletic Association.

Teams are formed from the Phi Chi, Theta Phi Delta, and Tau Kappa Kappa sororities, Freshmen, and Independents. The teams winning first, second, and third place in the tournaments receive extra W.A.A. points and the first place winner of each tournament is awarded a cup at the Sport Banquet held during the Spring Quarter.

A girl that participates in either a major or minor sports tournament must be a member of the Women's Athletic Association or pay a fee of ten cents to the organization for each game she enters.

An All-Sports Trophy will be awarded to the team having the largest number of combined W.A.A. points for winning first and second place in the major and minor tournaments at the close of the school year, 1958-59.

IN WINTER . . .

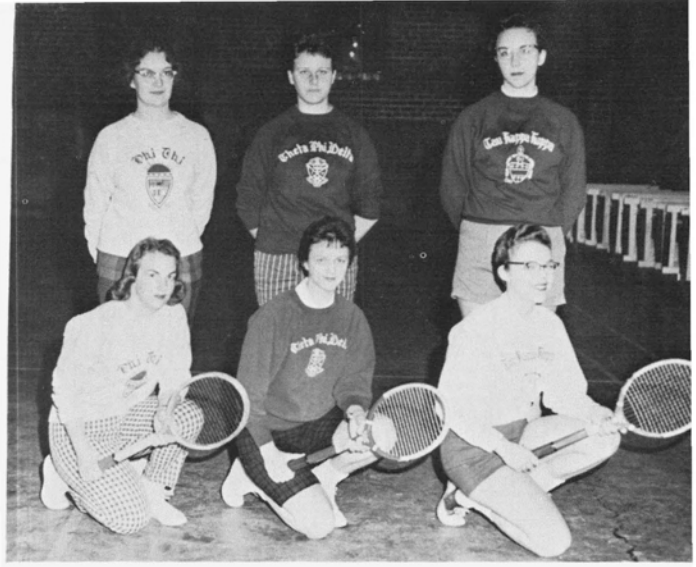

The basketball tournament, not yet completed may prove to be another close tournament. The team standings in won-lost record are: Ada-Independents 3-0, Theta Phi Delta 2-1, Chi Chi 2-1, Tay Kappa Kappa 1-2, and Freshman 0-3.

Basketball intramural game between the TKK's and the Ada-Independents is getting underway.
